Settlement, Disruption and Fallback Provisions

All payments in respect of the Notes will be made in MXN, subject to the occurrence of a Settlement Disruption Event and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred and is subsisting during a Determination Period:

- A. The Calculation Agent shall notify the Issuer and the Agent of its determination promptly after making such determination (but in no event later than 11.00 a.m. London time one (1) Business Day after the last day of the relevant Determination Period) whereupon the Agent shall promptly thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes); and
- B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two (2) Business Days after the day on which the Issuer is notified by the Calculation Agent that the relevant Settlement Disruption Event no longer subsists and (ii) the Postponed Maturity Date, or the Postponed Early Redemption Date, as the case may be.

If a Settlement Disruption Event no longer subsists on or before 5.00 p.m. London time on the fourth (4th) Business Day preceding the Postponed Maturity Date or the Postponed Early Redemption Date (as the case may be), the Calculation Agent shall notify the Issuer and the Agent thereof promptly on or after the Business Day on which such Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall promptly thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on the Postponed Maturity Date or the Postponed Early Redemption Date (as the case may be), regardless of whether a Settlement Disruption Event is still subsisting at such time, payment shall be made in United States Dollars ("**USD**") and shall be calculated by the Calculation Agent (and promptly notified to the Agent and the Issuer (but in no event later than two (2) Business Days before the Postponed Maturity Date or the Postponed Early Redemption Date (as the case may be)) in an amount per Specified Denomination which shall be produced by the following provisions, such amount to be rounded to the nearest whole cent (with USD 0.005 being rounded upwards):

Relevant MXN Amount ÷ Reference Rate

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond the originally scheduled Maturity Date, or as the case may be, Early Redemption Date (in each case, as adjusted, if appropriate, in accordance with the Following Business Day Convention) to the Postponed Maturity Date or Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex.

Following a determination by the Calculation Agent (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred during a Determination Period and that it subsists at 5.00 p.m. London time on the fourth (4th) Business Day preceding the Postponed Maturity Date or the Postponed Early Redemption Date (as the case may be), then any amount payable shall be made in USD in accordance with the provisions set out above.

For the purposes of these provisions:

“Best Execution Rate” means the rate at which the Calculation Agent may execute a transaction for the sale of the Reference MXN Amount and the purchase of USD at or about 2.00 p.m. London time on the day falling two (2) Business Days prior to the Postponed Early Redemption Date (if any) or the Postponed Maturity Date (as the case may be) for settlement offshore on the date that is falling two (2) Business Days thereafter where the resultant USD amount is greater than the sum calculated using a Reference Rate that is an arithmetic mean of firm quotations by Reference Dealers calculated as specified below;

“Business Day” means any day excluding Saturday and Sunday on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, New York City and Mexico City;

“Calculation Agent” means BNP Paribas in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 26 January 2006 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to Goldman Sachs International as Calculation Agent in respect of the Notes;

“Determination Period” means (i) in relation to the Maturity Date, the period which falls between ten (10) and three (3) Business Days (inclusive) preceding the Maturity Date, as adjusted in accordance with the Following Business Day Convention; and (ii) in relation to any Early Redemption Date, the period which falls between ten (10) and three (3) Business Days (inclusive) preceding any Early Redemption Date, as adjusted in accordance with the Following Business Day Convention, as the case may be;

“Postponed Early Redemption Date” means the tenth (10th) Business Day following the Early Redemption Date (if any);

“Postponed Maturity Date” means the tenth (10th) Business Day following the originally scheduled Maturity Date;

“Reference Dealers” means leading dealers, banks or banking corporations, which regularly deal in the MXN/USD exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner;

“Reference Rate” means the arithmetic mean of such firm quotes (expressed in MXN per one (1) USD) as the Calculation Agent is able to obtain from five (5) Reference Dealers at or about 4:00 p.m. London time for the sale of the Reference MXN Amount and the purchase of USD on the day falling two (2) Business Days prior to the Postponed Early Redemption Date (if any) or the Postponed Maturity Date (as the case may be) for settlement offshore on the date that is falling two (2) Business Days thereafter, as calculated by the Calculation Agent. If five or four Reference Dealers provide such firm quotes, the highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Reference Rate. If three or two Reference Dealers provide such firm quotes, then the arithmetic mean of the quotes actually obtained shall be

the Reference Rate, as calculated by the Calculation Agent. If only one Reference Dealer provides a firm quote then such quote shall be the Reference Rate, and if no Reference Dealer provides such a firm quote, then the Calculation Agent shall determine the Reference Rate in its sole discretion, acting in good faith and in a commercially reasonable manner, which may result in a USD equivalent amount calculated as above to be zero. Notwithstanding the above, if the Calculation Agent executes a transaction for the sale of the Reference MXN Amount at or about 4:00 p.m. London time at the Best Execution Rate, then such Best Execution Rate shall be the Reference Rate;

“Reference MXN Amount” means an amount that is no greater than the Relevant MXN Amount multiplied by N, where “N” means the number obtained by dividing the Nominal Amount outstanding by the Specified Denomination;

“Relevant MXN Amount” means the MXN amount per Specified Denomination which would have been payable on the relevant date if a Settlement Disruption Event had not occurred; and

“Settlement Disruption Event” means any of the following events specified under (i) and (ii) below, as determined by the Calculation Agent in its sole discretion acting in good faith and in a commercially reasonable manner:

- (i) the imposition of laws or regulations by the relevant central banking authority or other legislative, governmental or regulatory authority of the United Mexican States which (a) require non-residents of the United Mexican States to obtain permission from such central banking authority or other authority to obtain MXN, or (b) otherwise restrict a non-resident’s ability to obtain MXN, or (c) otherwise regulate the purchase or holding of MXN such that costs are imposed in obtaining MXN which would not be imposed in the absence of such regulations, or (d) has the direct or indirect effect of hindering, limiting or restricting the transfer of MXN from the United Mexican States to recipients resident in another country;
- (ii) Euroclear and/or Clearstream, Luxembourg suspend or cease acceptance of MXN as a settlement currency.
