### Notes:

1. This cost is incurred by landlords for vacating the stores and warehousing the inventory / assets of FRL lying in the stores wherein Hon'ble NCLT passed directions that the same shall form part of CIRP cost.
2. 233 stores were inaccessible; 12 of these stores have been vacated. 19 have become accessible over a period; another 16 inaccessible stores vacated by landlords who have asked us to take possession of assets / inventory.
3. There are 3 stores taken on lease from related parties of the Corporate Debtor and considering the CoC has rejected the agenda for payments towards related parties of the Corporate Debtor, the rentals and other charges for these stores are not being accrued as CIRP cost and have been included as potential cost.
4. Please note that the cost towards accessible stores are based on assumptions and information provided by the erstwhile management of Corporate Debtor, and it may undergo changes in case some additional information is made available.
5. Please note- In case of Big format stores, namely- BB Kharagpur, BB Kstar mall and FBB Kstar mall, the landlord has claimed a higher amount of lease rent to be accrued as CIRP cost, however, the cost accrued as on date is as per the lease MIS tracker / agreements, if available. However, the actual payout may vary on further deliberation with landlord and on obtaining factual documents.

Both the writ petition by FRL and revisional application by Eden were dismissed by the Calcutta High Court vide order dated 02<sup>nd</sup> January 2020.
- Thereafter, Eden filed the present Special Leave Petition (“SLP”), i.e. SLP (No.4304/2020), before the Hon’ble Supreme Court against the dismissal order dated 02<sup>nd</sup> January 2020 of the Calcutta High Court. The SLP remains pending; however, vide order dated 20<sup>th</sup> February 2020, the Hon’ble Supreme Court granted an ad-interim stay on the dismissal order till the completion of the ongoing arbitration proceedings between the parties.
- FRL filed an intervening application seeking impleadment in the present SLP on 06<sup>th</sup> June 2020.

- The SLP was last listed on 22<sup>nd</sup> November 2022 before Registrar Court No. 2. On 22<sup>nd</sup> November 2022 the Court was informed of the ongoing CIRP and subsequent imposition of moratorium on FRL. Accordingly, time was sought to file fresh vakalatnama and take instructions in the matter. The Hon’ble Registrar allowed the same and directed the counter affidavit to be filed in 4 weeks, post which the matter shall be processed for listing before the Hon’ble Court. We had requested the counsel for the Petitioner for the SLP which was received after significant period time. A copy of the SLP has been obtained from the registry. Counter Affidavit in the matter is being drafted. Factual clarifications are required in relation to the background facts as from some of the correspondence issued before CIRP, the concerned property seems to have been vacated by FRL before the CIRP. There is however, lack of clarity on whether any material belonging to FRL remained on the site.

Accordingly, the Court stayed the Appeals until further orders and adjourned the Appeal to 10<sup>th</sup> January 2024 for directions.</p>
	<p>The Appeal was not listed on 10<sup>th</sup> January 2024. The Appeal was next listed on 17<sup>th</sup> January 2024. In view of pending liquidation order, the matter has been adjourned to 6<sup>th</sup> March 2024. On 6<sup>th</sup> March the Court was appraised about the status of the CIRP, particularly the fact that the pronouncement of the liquidation order had been deferred on 12<sup>th</sup> February 2024 by the NCLT and therefore the CIRP was continuing currently.</p>
	<p>The Court noted the submissions and directed that the Appeal would be adjourned sine die pending determination by the NCLT. The Court also directed the RP to inform the Appellant Counsel of any order passed by the NCLT in respect of the status of the CIRP within 1 week from such order being passed. Accordingly, the Appeal stands adjourned sine die.</p>

In fact, the RP had filed an interim finance application which was due to be listed on 2<sup>nd</sup> April 2024. At this stage, the Bench orally enquired whether the vacation costs would include only transportation costs of FRL's assets. In response, counsel for the RP submitted that those assets which are affixed within the suit premises would be required to be dismantled and costs incurred for dismantling would be an additional cost. It was further submitted that the vacation costs would be inclusive of such additional costs and the transportation costs. The Bench orally also enquired what was the amount for vacation. The Bench orally indicated that the vacation costs if nominal, the RP should consider bearing the costs of vacation. Counsel for the RP submitted that the Interim Finance application is listed before the Bench on 15<sup>th</sup> May and without interim finance, it would be difficult for the RP to vacate the suit premises since the RP is facing a severe financial crunch. However, the Bench indicated that the RP must take instructions on bearing vacation costs for the premises. ## Before the Hon’ble NCLT, Mumbai

**Mr. Paramjit Singh & Mr. Jagjit Singh v. Vijaykumar V. Iyer**  
[IA 1649 of 2023]

- The matter was first taken up by the Bench on 1 May 2023, wherein the counsel for the Applicant highlighted that the RP was neither vacating the subject premises nor was paying CIRP costs. In response, the RP counsel highlighted that as indicated in the other applications, CoC was seized of the matter and was voting on the agenda of vacation/retention of rental premises. At this stage, the Bench expressed its displeasure and indicated that the RP must take a decision at the earliest and vacate all non-operational stores which are not required. The RP counsel, thereafter, sought time to file a reply. The Applicant also stated that the RP had failed to communicate the status of the Applicant’s claim, in response to which it was apprised that the RP team would consider the claim of the Applicant and inform the Applicant of the status accordingly. The matter has thereafter been adjourned to 16<sup>th</sup> May 2023.
- On the last date of hearing i.e. 16<sup>th</sup> May 2023, The RP counsel submitted that the COC has taken a decision to vacate the premises of all the landlords who were before the NCLT. The Hon’ble Tribunal ordered the following:
  1. Representative of the RP who visits the premises must be given the requisite authority letter to liaise with the landlord.
  2. The premises are to be opened in presence of representatives of the RP and the landlord, at a mutually agreed date, using the keys, wherever available, or by breaking the locks, if required.
  3. The Bench has orally suggested that the RP may take along a valuer to these premises to conduct valuation of the inventory lying at the premises.
  4. RP is to take steps to inventories the stock at these premises and vacate the premises as soon as possible.
  5. RP to file a Compliance Report showing vacation of all premises by 3rd July.
  6. All landlord matters to be listed on 3rd July for reporting compliance.
- On 3<sup>rd</sup> July 2023, the matter could not be heard due to paucity of time and has been adjourned to 9<sup>th</sup> August 2023. The premises have been vacated however since the landlord was pressing for CIRP costs the matter was adjourned to 15<sup>th</sup> September 2023 and is now scheduled to be listed on 6<sup>th</sup> October 2023. On 6<sup>th</sup> October 2023, it was highlighted to bench that the premises had been vacated. However, since the premises were inaccessible during CIRP, no costs would accrue as CIRP costs. Accordingly, counsels sought time to file an additional reply bringing these facts pertaining to CIRP costs on record. The Bench directed RP to file a reply within 1 week and the matter had been adjourned to 26<sup>th</sup> October 2023. RP has complied with the above direction.
- The next date of hearing is 5<sup>th</sup> January 2024 and further adjourned to 15<sup>th</sup> February 2024 and thereafter to 22<sup>nd</sup> March 2024.
- On 22<sup>nd</sup> March 2024, counsels for RP submitted that the captioned applications pertain to the payment of CIRP costs in respect of rental dues arising out of premises that were inaccessible to the RP during the CIRP. <b>Interlocutory Application against non-cooperating landlords</b> [IA 1455 of 2023]	<ul style="list-style-type: none"><li>RP had filed an application against landlords for cooperation and granting immediate access to the premises/inaccessible stores. First listed on 20<sup>th</sup> April 2023, wherein the Hon’ble Tribunal ordered that the RP can take assistance of the local administration to access the subject premises for taking stock of inventory and other details.</li><li>On 2<sup>nd</sup> June 2023, the bench was informed that , the RP had taken various steps and had written to approx. 40 police stations for assistance in accessing the Inaccessible Stores. However, for a multiplicity of reasons, the RP team had not been able to receive sufficient assistance and access the Inaccessible Stores. Accordingly, we were pressing for prayer (A) of the Application today (Immediate access to the stores). Thereafter, we informed the Bench of the difficulties being faced by the RP and took the Bench through the Application in detail, along with details furnished in Annexure A of the Application.</li><li>The Bench noted our submissions and was pleased to grant prayer (A) of the Application with respect to the Inaccessible Stores present in Annexure A of the Application. Prayer A is reproduced here for ease of reference – <i>Immediate access be granted to the Applicant for all the Inaccessible Premises, as set out in Annexure A [Refer Pg. 17 (PDF Pg. 24), Vol. I] and any consequential directions in this regard &gt;</i></li><li>The matter was heard on 26th October 2023, where the Counsel for the RP requested the NCLT to grant prayer (c) of the Application whereby directions would be passed that no CIRP costs would accrue for the inaccessible premises. At this stage, the Bench indicated that it was not inclined to pass such blanket orders without hearing the landlords, who were not even parties before it. The Bench orally indicated that such matters would have to be decided on a case-by-case basis. In response, appearing counsel for RP stated that landlords who were aggrieved by non-payment of CIRP costs could approach the NCLT and their right would not be foreclosed. The Bench noted the submissions and observed that in view of the CoC minutes dated 5th July 2023 and the decision taken therein, the Application would be disposed of, with liberty to the landlords to approach the NCLT if they wanted to challenge the non-payment of lease rentals as CIRP costs. Accordingly, the application has been disposed of in terms of the aforesaid observations of the NCLT. The operative part of the order dated 26<sup>th</sup> October 2023 states that “so far as prayer (c) is concerned, the CoC has already taken decision in its meeting held on 05.07.2023 to the effect that the stores which are not accessible to the RP after the commencement of CIRP any amount on account of rental could not be treated as CIRP cost. Senior Counsel further states that in view of this IA No 1455/2023 be disposed of having rendered infructuous. In view of the statement made by the Senior Counsel for the RP, IA No. 1455/2023 is dismissed having been rendered infructuous. However, any landlord affected by the decision of the CoC dated 05.07.2023 will be at liberty to challenge the same”</li></ul>

Counsel for RP, indicated that the RP’s position was extremely clear – due to data/information asymmetry, the RP was not able to identify third party assets. The burden was on the Applicant to demonstrate ownership of the leased assets. Counsel for applicant indicated that in view of the RP’s position, it was incumbent that Rivaaz (third party) be present and file a reply since Rivaaz may have documents/information which would help establish ownership of the Applicant over the leased assets in the CD’s possession. Accordingly, Bench was pleased to re-issue notice to Rivaaz. The matter has been adjourned to 29<sup>th</sup> November 2023. **Radha Kishan Mehta v.  
Vijaykumar V. Iyer  
[IA 4638 of 2023]**

- The Application has been filed seeking vacation of subject premises and other incidental reliefs. The matter was listed on 17<sup>th</sup> October 2023, where counsel for RP informed the Bench that they would need to put in a reply bringing on record certain facts such as the premises being inaccessible. The Bench noted our submissions and indicated that a reply may be filed within 2 weeks. The RP team has visited the premises and conducted inventory. The matter was last listed on 28<sup>th</sup> November 2023. The next date of hearing is 6<sup>th</sup> December 2023.
- On 6<sup>th</sup> December 2023, the Counsel for the landlord indicated that they were willing to bear the vacation and warehousing costs and claim the same as CIRP costs. For the main CIRP costs (from ICD), the RP could file its reply contesting the same and the matter could be argued on another occasion. Counsels for RP indicated that the above approach was agreeable and they would put in a reply demonstrating how the premises were inaccessible to the RP Team.
- The Bench noted the submissions of both parties and recorded that the landlord would bear the cost of vacation and warehousing and claim the same as CIRP costs. The Bench directed the RP to vacate the premises within 3 weeks and also directed the RP to file its reply on the aspect of inaccessibility.
- Accordingly, the matter had been adjourned to 9<sup>th</sup> January 2024. On 9<sup>th</sup> January 2024, When the matter was called out, counsels for RP informed the Bench that the premises had already been vacated on 28<sup>th</sup> December 2023 and were seeking some additional time to file a reply on the CIRP costs aspect since the premises were inaccessible. Accordingly, the Bench directed the RP to file a reply within 2 weeks and has adjourned the matter to 15<sup>th</sup> February 2024.
- On 15<sup>th</sup> February counsels for RP filed his reply on 14<sup>th</sup> February 2024 and counsels further informed the Bench that these premises had been vacated and the only issue pending in these matters was whether CIRP cost was payable or not. It was our case that these premises were inaccessible and no CIRP costs would accrue for such premises. The Bench noted the same and has adjourned the captioned applications to 22<sup>nd</sup> March 2024 for final arguments. On 22<sup>nd</sup> March 2024, with consent of the parties further adjourned the matter for 30<sup>th</sup> April 2024..
- On 30<sup>th</sup> April 2024, when the matter was called out, Advocate for the Applicant, gave a brief background of the matter and submitted that the matter was related to the outstanding rental amounts during CIRP period which were required to be paid as CIRP costs.
- Advocate further submitted that the RP has not made any formal attempts to approach the applicant during the CIRP to take access of the premises. Pertinently, the RP was in constant communication with the applicant on claim related aspect since August 2022. Therefore, nothing precluded the RP from reaching out to the applicant to seek access to the premises. As far as the Applicant is concerned, the RP has been in possession of the premises until vacation. Mere singular visit by the valuation team and pasting of notice on shutters could not amount to RP stating that the premises were inaccessible. Further, the RP had even failed to respond to the Eviction Notice issued by the Applicant.
- In response, we submitted as follows –
  - a) The premises were inaccessible to the RP as can be demonstrated from the photos. The RP took access only pursuant to a joint visit by the parties after the NCLT had passed the necessary directions.
  - b) Since the premises were inaccessible no CIRP costs would accrue in terms of Section 5(13) of the Code. The RP did not utilize the premises as part of the going concern basis therefore the same could not form part of CIRP costs.

**Cannon India Private Limited v. Vijaykumar V. Iyer [IA 4560 of 2023]**

- The Application has been filed by Cannon India seeking repossession of its equipment in the Corporate Debtor’s possession. The Applicant contends that the agreement was terminated prior to CIRP and partial equipment have already been returned. Therefore, moratorium does not apply on the equipment. The matter was listed on 12<sup>th</sup> October 2023, where the RP sought time to file a reply. The matter has now been adjourned to 7<sup>th</sup> November 2023.
- In hearing dated 7<sup>th</sup> November 2023, counsel for applicant indicated that applicant was seeking immediate repossession of its equipment. The agreements had been terminated and partial repossession of the assets was completed even prior to CIRP. Therefore, the RP must redeliver the assets to applicant which are present in the Corporate Debtor’s premises. In response, counsels for RP, indicated that the RP was facing grave challenges on account of data asymmetry and did not have complete information in relation to the premises. Further, the RP’s access to certain premises i.e. Inaccessible Premises was restricted, therefore the RP was not in a position to identify and locate the premises where the assets of applicant were stored. Attention of the Bench was drawn to the Annexure-11 of the IA, wherein the details of the store etc. were not provided by the applicant. The RP had written to applicant seeking certain additional details of such stores and assistance of applicant in locating the assets. Counsel for applicant responded stating that applicant would provide the details as sought by the RP, however, the RP must take expeditious steps in order to redeliver the assets to the applicant. The Bench noted the submissions of both parties and indicated that information as sought by the RP be provided and the RP take expeditious steps towards redelivery of the assets to applicant. The matter has been adjourned to 11<sup>th</sup> December 2023.
- On 11<sup>th</sup> December 2023, Counsel for the RP sought time to hand over the possession to the Applicant. Said time was granted. RP was directed to hand over equipment’s referred to Annexure 12 of the application to the Applicant within three weeks. And listed the matter for 19<sup>th</sup> January 2024 for hearing. On 19th January counsel for applicant submitted that basis order dated 11<sup>th</sup> December 2023, possession of only 25 out of 867 Xerox machines had been handed over to the applicant whereas possession of the rest of the machines has not been handed over. It has also been pointed out that the Xerox machines which are presently lying in different stores are getting depreciated in terms of value resulting in further loss to the applicant. Counsel for the RP assured this bench that he would expedite the matter and handover the possession of the remaining machines as early as possible. Further matter was listed further hearing on 02<sup>nd</sup> February 2024. Meanwhile, the RP put on record the latest position with respect to handover of the machines as per the NCLT Order. <p><b>Cannon India Private Limited v. Vijaykumar V. Iyer [IA 4560 of 2023] – Contd.</b></p>	<ul style="list-style-type: none"><li>On 2<sup>nd</sup> May 2024, the Bench enquired whether the RP has taken adequate steps to return the possession of all the machines stored in the premises accessible to the RP. In response, it was submitted that in compliance of the NCLT's orders, we had attempted to return the machines in the accessible premise. 14 machines had already been handed over and 21 machines were also in the process. However, for about 15 machines either the warehousing agency was not cooperating on account of non-payment or the landlords were not cooperating or responding.. We further submitted that the due to severe financial crunch of the Corporate Debtor, payments could not be processed for the agency responsible for the warehousing and consequently, the agency is reluctant to further assist the RP in handing over the possession of the machines to the applicant. Counsel for the RP indicated that numerous correspondences via email have been made between the RP and the landlords of the accessible premises and that the concerned landlords have stated that they shall allow an access to the machines only when the RP clears the outstanding rent amounts due to the landlords. It was indicated that since the RP does not have funds to pay the due rental amounts, the landlords of the accessible premises have not effectively cooperated with the RP and consequently, the machines have not been handed over to the Applicant. Thereafter, we informed the Bench that the remaining machines were either in inaccessible premises or location of the machines was not known to the RP.</li><li>We further submitted that the RP has made consistent efforts to coordinate with Reliance, access the machines stored in Reliance's warehouses, and hand them over to the Applicant. At this point, the orally indicated that the impleadment of Reliance could have been done in the earlier stages of the matter or alternatively the RP could have filed an application against Reliance. We submitted that the Bench could issue notice to Reliance, if the Bench thought the same was necessary. However, we clarified that Reliance was responding and cooperating on the handover, however, there were practical challenges in the matter.</li><li>Thereafter, counsel for the Applicant indicated that vide NCLT orders dated 11<sup>th</sup> December 2023 and 19<sup>th</sup> January 2024, the RP had given an express assurance that the process of handing over the possession of the machines to the Applicant shall be carried out expeditiously. It was further indicated that vide the said orders, the Bench had directed the RP to duly put on record the latest position related to handing over the machines to the Applicant.</li><li>Counsel for the RP indicated that an application for Interim Finance is presently pending before the Bench. It was also indicated that the S. 19 was pursued against the ex-management of FRL and they had indicated that all the relevant dates was stored on the SAP system which eventually turned out to be corrupt. Separately, the RP was pursing S.66 applications against the promoters of FRL. The Bench noted the submissions of counsels for both parties and after deliberation, the matter has been <b>reserved for orders</b>.</li></ul>

Counsel appearing for the landlord indicated the landlord was ready to bear vacation and warehousing charges, however, the landlord would claim the same as CIRP costs. In response, counsel for RP highlighted the precarious financial situation and indicated that all such charges would burden FRL with massive CIRP costs. However, the Bench indicated that since the landlord was volunteering to bear the costs, the same could be born as CIRP costs. Accordingly, the Bench directed the RP to vacate the premises and recorded the submission that the landlord would bear the vacation and warehousing costs and seek reimbursement of the same as CIRP costs. With respect to the rejection of the claim, the RP has been directed to file a reply. The matter has been adjourned to 5<sup>th</sup> January 2024.</li><li>On 5<sup>th</sup> January 2024, Counsel for RP indicated that the premises were accessible and the process of vacation of premises had commenced and would be completed shortly. # Update on legal matters concerning Future Retail Limited (“FRL”/“Corporate Debtor”)

Judgement passed by Hon’ble NCLAT in appeal filed by RP, against Hon’ble NCLT order dated 20<sup>th</sup> April 2023.

## Background of order dated 20<sup>th</sup> April 2023 Hon’ble NCLT

**Koinonia Coffee Pvt. Ltd. V. Vijay Kumar V Iyer IA 3439/202 in CP (IB) No. 527(MB)/2022 and IA 178 of 2023**

Hon’ble NCLT, vide its order dated 28<sup>th</sup> April 2023, in its findings reiterated as below;

9. *We have heard the Counsels appearing for the parties at great length. On perusal of the instant Application and the documents on record, it is seen that the primary issue for consideration before us is whether the BSA is valid and legal. In this regard, we observe that the RP is cognisant of the contentious nature of the BSA and other transactions related to it and has already initiated the Transaction Review Audit of various transactions to ascertain whether any transactions fall under the ambit of preferential, undervalued, extortionate, fraudulent or wrongful trading under the provisions of the Code. We recognise the fact that though the Applicant has filed this Application at a premature stage i.e. prior to the completion of the Transaction Audit, the apprehensions of the Applicants are legitimate.*

10. *In view of the foregoing, the RP is directed to take all necessary steps to secure that portion of the revenue generated by the Foodhall business that is owed to the Applicant in a separate escrow account until the completion of the Transaction Review Audit and the submission of its final Report to the RP. In case the RP finds any transaction falling under the ambit of preferential, undervalued, extortionate, fraudulent or wrongful trading, after perusal of the final Transaction Audit Report, the RP is duty bound to file an appropriate Application before this Tribunal under relevant provisions of the Code.*

11. With the above observations, IA No. 3439 of 2022 is disposed of in the above terms.

## Relief sought by RP in appeal filed before Hon’ble NCLAT

**Company Appeal No. 674/2023 - Vijaykumar V. Iyer Vs. Koinonia Coffee Private Limited, TNSI Retail Pvt. Ltd., Aman Sharma, Mukul Jain.**

*Relief sought by RP in appeal is reiterated as below;*

*The Hon’ble Appellate Authority be pleased to **stay and set aside** the operation of the Impugned Order dated 28 April 2023 passed by the Hon’ble National Company Law Tribunal, Mumbai Bench, Court-II in I.A. 3439 of 2022 in C.P (IB) No.527/(MB) 2022 to the extent that it holds that the apprehensions of the Respondent No.1 are legitimate and further directs the Appellant to set aside and stay the operation, to the extent that it holds that the apprehensions of the RP are legitimate and further directs the RP to “take all necessary steps to secure that portion of the revenue generated by the Foodhall business that is owed to the Applicant in a separate escrow account until completion of the Transaction Review Audit and the submission of its final report to the RP”.*

Judgement passed by Hon'ble NCLAT in appeal filed by RP, against Hon'ble NCLT order dated 20<sup>th</sup> April 2023.

## Judgement dated 22<sup>nd</sup> November 2023 passed by Hon'ble NCLAT.

Hon'ble NCLT, vide its judgement dated 22<sup>nd</sup> November 2023, in its findings observed as below, relevant portion of judgement is reiterated as below;

19. *As regards the third appeal, the grievance of the RP is that he has been directed to take all necessary steps to secure that portion of the revenue generated by the Foodhall business that is owed to the Applicant in a separate escrow account until the completion of the transaction review audit.*
20. *Counsel for the RP has submitted that he is the RP of the Corporate Debtor whereas Foodhall business is in the hands of TNSI which is a third party (separate entity).*
21. *We do not agree with this argument of Counsel for the Appellant because TNSI is a 100% subsidiary of FRL, therefore, the board can be changed by the RP or he can take it over and follow the direction issued in Para 10 of the impugned order.*
22. *In this view of the matter, we do not agree with the contention of the Appellant as well in this appeal and the same is hereby dismissed.*

# Update on legal matters concerning Future Retail Limited (“FRL”)/“Corporate Debtor”)

National Company Law Appellate Tribunal (“NCLAT”)

Durdana Aabid Ali & Ors. Vs. Vijay Kumar V Iyer, CA (AT) (Ins) 27 of 2024

- Durdana Ali had filed an application before the Hon’ble NCLT challenging the notice sent by the RP dated 29<sup>th</sup> March 2023 seeking inspection of premises and access of goods lying G-1 Regent Point, Shirdi Sai Baba Mandir Road, 3<sup>rd</sup> Someswarapuram, Ulsoor, Bangalore, being premises leased by Durdana Ali to FRL vide lease deed dated 19<sup>th</sup> July 2019. Vide order dated 5<sup>th</sup> October 2023, Hon’ble NCLT, Mumbai, had set aside the said notice on the grounds that the Appellant failed to prove that they were in possession of the premises as on the date of ICD despite claiming that the lease deed stood expired in November 2021.
- Durdana Ali has now filed an appeal before the Hon’ble NCLAT against the order of NCLT. On 1<sup>st</sup> February 2024, when the appeal was last listed, Appellant submitted that he had leased its premises to one Food World Super Markets Pvt. Ltd. (“Food World”), which stood expired on 14<sup>th</sup> November 2021 and the premises were vacated thereafter. Further, the premises were never sub-leased to the Corporate Debtor. However, in the Impugned Order, the Ld. NCLT has wrongly observed that Food World had stopped paying rent for the premises, following which a legal notice dated 24<sup>th</sup> May 2022 was issued to them to hand over the premises to the Appellant. The Ld. NCLT further wrongly observed that in view thereof, as well as the fact that the Appellants have not produced any evidence showing possession of the premises by them, the premises are still occupied by the Corporate Debtor (as assigned by Food World) and shall come under the purview of moratorium.
- The counsel for the Appellant further submitted that even if the premises were leased by Food World to the Corporate Debtor, such lease still ended by 14<sup>th</sup> November 2021 and thus the Corporate Debtor could no longer be entitled to occupy the premises after the insolvency commencement date i.e. 27<sup>th</sup> July 2022. Thereafter, we submitted that upon taking over the Corporate Debtor, the Resolution Professional reached out to the ex-management of the Corporate Debtor and received the information that the Corporate Debtor operated its stores in multiple locations, including the Appellant’s premises, which it had occupied vide the assignment done by Food World, fact of which has also been recorded in the Appellant’s letters. We further highlighted that all that the Resolution Professional has sought is an inspection of the premises on account of the goods of Corporate Debtor lying therein.
- Taking note of the above submissions, the Bench issued notice in the matter and directed the Resolution Professional to file reply and rejoinder to be filed by the Appellant. The Bench has posted the matter for further consideration before on 06<sup>th</sup> March 2024.
- On 06<sup>th</sup> March 2024, the counsel for the Appellant requested that the matter be heard on 14<sup>th</sup> March 2023. The Bench allowed the same and directed the Resolution Professional to file a reply before the next date of hearing.
- RP filed its reply on 12 March 2024.
- The matter was listed for hearing on 22 March 2024. Counsel for the Appellant initiated her arguments and submitted that the Appellant had leased its premises to one Food World Super Markets Pvt. Ltd which stood expired on 14 November 2021 and the premises were vacated thereafter. Further, the premises were never sub-leased to the Corporate Debtor, as has been asserted by the Resolution Professional of the Corporate Debtor vide his letter dated 29 March. It was further submitted that even if the premises were assigned by Food World to the Corporate Debtor, such lease still ended by 14 November 2021 and thus the Corporate Debtor could no longer be entitled to occupy the premises after the insolvency commencement date i.e. 27 July 2022. Attention of the Bench was drawn to Clause 14.7 of the Lease Agreement of Food World and submitted that it provides for an intimation to be given to the landlord in case of transfer/assignment of the premises, which was not done by Food World. It was also pointed out that as per the Resolution Professional’s own Reply, he is not certain whether a no-objection was ever received from the Appellants in terms of the Lease Agreement for taking over the premises from Food World.

National Company Law Appellate Tribunal (“NCLAT”)

Durdana Aabid Ali & Ors. Vs. Vijay Kumar V Iyer, CA (AT) (Ins) 27 of 2024

- Counsel for the RP submitted that upon taking over the Corporate Debtor, the RP reached out to the ex-management of the Corporate Debtor and received the information that the Corporate Debtor operated its stores in multiple locations, including the Appellant’s premises, which it had occupied vide the assignment done by Food World. It was further pointed out that all that the Resolution Professional has sought is an inspection of the premises. In this regard, attention was drawn to the 29 March Letter which categorically requests only for inspection of the Appellant’s premises and protection of the Corporate Debtor’s assets lying therein, if any. It was further highlighted that in any case, communication dated 24 May 2022 sent by the Appellants to Food World clearly evinces the Appellants were not in possession of the premises up till 2 months before the commencement of the Corporate Debtor’s CIRP.
- The matter was reserved for orders.
- On 23 April 2024, the NCLAT passed its final order and judgment allowing the appeal and setting aside the order dated 05<sup>th</sup> October 2023. Directions were given to the RP to withdraw the notice dated 29<sup>th</sup> March 2023 seeking access to the property.

# Estimated Liquidation Cost (Business + Process) vs Liquid Assets

## Notes:

1. \*This is excluding the fee payable to Liquidator and support fee to be paid to IPE supporting the Liquidator
2. It is possible that during liquidation when benefit of moratorium is not available and rent/ dues are not being paid regularly to landlords of accessible stores, some landlords may stop supporting and access to FRL assets may become difficult and value of liquid assets as estimated may reduce
3. Business cost includes estimated cost towards Rent, CAM, electricity, etc. of accessible premises leased out from retaining related party premises as well
4. The cost estimate has been prepared assuming that a) high lease cost premises will be monetized / vacated first; b) asset liquidation and store/ warehouse vacation will require about 18 months
5. Liquid assets include cash balances and value of inventory verified at accessible stores and Reliance warehouses (where store inventory was moved by Reliance)
6. The outstanding CIRP cost as on April 30, 2024 is INR 144.61 Crs which is not included in the liquidation cost estimated above
7. The cost towards inaccessible stores is ~INR 7 Crs per month which is not considered in the above cost estimates
8. The cost of ~INR 4.41 Crs per month towards employees who were not required to work during CIRP have not been considered in the above cost estimates

## Notes:

1. The lease rental for the stores has been calculated basis the lease agreements provided to us by the corporate debtor. For stores where no rental amount was identified due to non availability of lease agreement and where lease has expired pre ICD and no renewal addendum available, the rental amount as per the Lease MIS tracker provided by corporate debtor has been considered. Further, in cases where the store leases have expired during the CIRP period or escalation clauses are applicable during the CIRP period, the monthly lease rental pre-ICD are considered. Furthermore, interest accrual or any other penalty (if at all applicable) due to non-payment of rentals have not been considered for the said calculations. Also, no adjustments have been made for stores that may have been vacated during the CIRP till date.
2. The cost provided is based on the assumption that the assets at accessible stores will be liquidated over the period of time. The stores will be selected based on descending order of lease rentals (i.e. assets of store with higher lease rentals will be vacated first)
3. The Cost includes expenses toward advertisements, E-auctions and payouts (including OPE) to employees supporting during the process.
4. The accrual and payment amounts are inclusive of taxes.

**Court Receiver Matter**

The RP and RP team informed that in the said matter a Court Receiver was appointed by the Bombay High Court for a property leased by the CD in Ahmedabad. In this case, while the possession of the premises was handed over to the Court Receiver basis order of Bombay High

S&P informed the members of the CoC that unless an appeal against the NCLT order is being considered, members of the CoC who can contribute, should contribute basis the NCLT order. The members of the CoC did not provide any additional inputs on the matter.

#### **Sudha Sharma matter**

The RP and RP team apprised the members of the CoC that this application is filed by a landlord wherein the landlord has sought vacation of the premises and the RP had agreed to vacate the premises if the landlord is willing to bear the dismantling, transportation and warehousing cost. It was also informed that there have been multiple discussions before the NCLT, wherein landlords had earlier indicated willingness to absorb some of the costs and now they are stating that they're not in a position to absorb any of the cost. Consequently, the NCLT has asked the RP to take instructions from the CoC on bearing the costs in terms of vacation and warehousing. The RP and RP team have identified another store in the city to move the assets, to avoid the warehousing cost, but there'll be an estimated cost of INR 1,50,000 to INR 1,60,000 involved in terms of the dismantling and transportation to the identified store. It was also apprised by the

RP team that the matter is next listed on 15 May 2024. The CoC did not provide any additional inputs on the matter.

### **FSC Warehouses**

The RP and RP team further provided an update on the email received from Future Supply Chain's Resolution Professional, citing that 5 warehouses which have been subleased from Reliance, and wherein FRL assets are stored, are required to be vacated and FRL should remove their assets from those warehouses. After multiple follow-ups, the RP team has received pictures of FRL assets lying at three out of these five warehouses. Based on the visual presentation, these materials look to include food items, electronic items, apparels and home furnishing. It was also informed that the RP and RP team are in the process of sending FRL employees to these five warehouses to get a better understanding of the quantum of FRL assets at these warehouses and the same would also be informed to the CoC.

### **MAK Warehouses**

The RP and RP team apprised the members of the CoC on the mail received from a vendor who was appointed during the CIRP to help with vacation of some of the stores and subsequent warehousing the assets therein. This vendor had previously written informing of intention to sell some of the assets to recover his dues accruing on regular basis as he was no longer able to continue paying the recurring cost. Pursuant to the discussion with this vendor, the vendor has proposed another vendor as a substitute at same cost and expense. The RP and RP team stated that they are engaging with this new vendor who is proposing to take up the warehousing cost starting 11 April 2024 and will update the CoC on the developments.

### **Update on CIRP cost**

Further an update on the CIRP cost was presented by RP team, which had been incurred and had remained unpaid along with an estimate of the costs which are expected to be incurred in next two months i.e., May and June 2024. As on end of April 2024, the CIRP costs which remained unpaid, was approximately c. INR 144.61. crore and an additional amount of c. INR 10 crore was

expected to be incurred by June 2024. Further there were potential costs towards related party premises including the warehouses of Future Supply Chain Solutions Limited as well as the inaccessible stores and employees who were not called to work upon amounting approximately to c. INR 284 crores till end of April 2024 which had not been considered as CIRP cost.

### **Legal Updates**

Further SAM team provided an update to CoC members regarding the critical litigations that were ongoing. A set of important litigations ongoing before multiple judicial fora were presented and SAM team apprised the CoC members of ***IA 1472/2024 - Bansi Mall Management Pvt. Ltd. Vs. Vijay Kumar Iyer (RP of Future Retail Limited)*** ("Bansi Mall") wherein there were some development and was upcoming before Hon'ble NCLT on 13 May 2024. As informed and discussed in the operational update, on 13 May 2024, counsels to the RP will inform the bench that once an alternate proposal has been given by the counsels of Bansi Mall, the same would be presented before the CoC members for their consideration.

Further, another critical matter was highlighted i.e., ***Intervention Petition/65/2023 - Sudha Sharma Vs. Mr. Vijay Kumar V Iyer.***, which was scheduled and posted to be heard before Hon'ble NCLT on 15 May 2024, along with ***IA 1152/2024 - Vijaykumar V Iyer Vs. Committee of Creditors Through Bank of India***, i.e., the application filed by RP seeking directions from Hon'ble NCLT for raising interim finance. In this matter, as discussed above in the operational updates, SAM team re-clarified the understanding from the above discussion, seeking views of S&P with regards to vacation and warehousing of the assets vacated from the said premises in the absence of any clarity/consensus among the lenders.

SAM team: We would keep a track on this matter but as informed that High Court is not expected to take up the matter before resuming after vacation

Further it was highlighted to CoC members that, it was observed in recent weeks wherein every time any matter that was listed in this C.P. (IB)/527(MB)2022 before Hon'ble NCLT, the bench, *Suo Motu* inquired about the status of the pending liquidation application filed by RP. The Bench orally indicated that the RP should either withdraw the liquidation application or it may pass appropriate orders. Further, the Bench wasn't inclined to keep the liquidation application pending. In response, counsels for RP have apprised the bench of the current stage of the process and that the plan is under consideration before the CoC, but also submitted that they would take instructions and get back to the Bench. The Bench orally indicated that applications are listed almost on daily basis, and we must come back with instructions at the earliest, otherwise the Bench would pass appropriate orders.

**Agenda 5 - To take note of the following agendas as approved in the 25th CoC meeting held on 26 October 2023:**

- a. To explore compromise or arrangement as referred to under sub - regulation (1) of regulation 2B of the Insolvency and Bankruptcy Board of India (Liquidation Process) Regulation, 2016 (as per Regulation 39BA(1) and 39BA(2) of the CIRP Regulations)**
- b. That the liquidator may first explore the sale of the Corporate Debtor as a going concern under clause (e) of Regulation 32 of the Insolvency and Bankruptcy Board of India (Liquidation Process) Regulations, 2016 or sale of the business of the Corporate Debtor as a going concern under clause (f) thereof, if an order for liquidation is passed under Section 33 of the Code.**

RP team further presented the above agenda items for information and noting purposes and apprised the CoC members that the above agendas were already taken up for discussion earlier when the earlier plan submitted by the RA was being voted upon by the CoC members and the above agendas were approved by the CoC members with requisite votes for the approach to be taken by liquidator if the CD goes into liquidation.

CoC members took note of the above agenda items as approved in 25th CoC meeting.

**Agenda 6 - To discuss, consider and recommend the belatedly received claims (which are categorized as acceptable for collation by the RP), to be included in the list of creditors and their treatment in the resolution plan, in terms of Regulation 13(1B) and 13(1C) of the CIRP Regulations**

The RP and RP team highlighted that pursuant to recent amendments in the CIRP regulations, the agenda for treatment of claims received post 90<sup>th</sup> day of the ICD or claims wherein there were no specific directions of Hon'ble NCLT, and such claims received till 3 May 2024, i.e., upto seven days before the date of meeting of creditors for voting on the revised plan (being 10 May 2024), is being placed as acceptable and non-acceptable for consideration of CoC. A gist of different categories of claimants and amount of collated claims was presented and it was highlighted that an amount under the acceptable claim category would be a total of c. INR 265.45 crore out of the total claimed amount of c. INR 1,031.30 crore, and the remaining c. INR 765.84 falls under non-acceptable category basis information received from these claimants.

This matter is placed before the CoC for its consideration and vote.

**Agenda 7 - Pursuant to the deferment of Liquidation order on 12 February 2024 and resolution passed by the CoC on 17 March 2024 to consider the revised resolution plan submitted by Space Mantra Pvt. Ltd and the NCLT order dated 2 April 2024 in IA No. 1100/2024, to consider and approve the revised resolution plan submitted by Space Mantra Private Limited, upon having considered its feasibility, viability, and all other factors, under Section 30(4) of the Insolvency**

**and Bankruptcy Code, 2016, to authorize the resolution professional to issue a letter of intent to Space Mantra Private Limited and to file an application with the Adjudicating Authority for approval of the resolution plan submitted by Space Mantra Private Limited and consequent withdrawal of liquidation application IA 5293 of 2023."**

The RP and RP team apprised the CoC members that a revised resolution plan has been received from Space Mantra Private Limited ("Space Mantra" / "RA") and the RP intends to place the revised resolution plan submitted by Space Mantra Private Limited for consideration of the CoC members if the CoC agrees.

Before placing the same for CoC's consideration, the RP and RP team requested SAM team to confirm if the revised plan submitted by Space Mantra was legally compliant or not. SAM team confirmed that the revised plan submitted by Space Mantra Private Limited is legally compliant and that they will be sharing a detailed compliance report. SAM team indicated that the same is subject to the signed plan, received just before this meeting, being same as the last version agreed with the RA and it will be reviewed to check for any differences.

Further, the RP and RP team requested A&M team to comment on the feasibility and viability of the revised plan submitted by Space Mantra and requested S&P team for their inputs/observations as well on the revised plan.

Specific clarifications sought / comments made by attendees of the CoC meeting:

Meeting Attendee	Clarification/Comments	RP & RP team / Legal Advisor / Other's Response
S&P	The revised plan submitted by Space Mantra did not have any reliefs other than the ones in respect of as directed by Hon'ble NCLT. For instance, in an earlier	SAM team: Those reliefs are still there in the revised plan, however, it is clarified in resolution plan by RA that these reliefs are without prejudice to the other contents of

	<p>version there were certain reliefs sought for waiver of taxes. Those were fine by the RP and his legal advisors?</p>	<p>the plan and are not to be construed as conditions to implementation of the plan i.e., even if these reliefs are not granted by NCLT in its judicial wisdom, that will not be a condition and RA will still implement the plan. To this extent they remain subject to discretion of Hon'ble NCLT. For sake of brevity, it was confirmed that the revised plan is complaint and detailed observations will be provided as part of our compliance report. In respect of the feasibility, viability and capability of the RA to implement the plan, all those points were for CoC to look at.</p>
--	---	---

Representative of S&P team concurred with the above view.

RP and RP team requested A&M team and S&P team's view on the revised plan submitted by the RA.

S&P added that they had already circulated their comments to all the CoC members on the last version of plan provided to them. Since, just before this CoC, S&P team had received the signed version of revised plan, they have assumed that it is same as the one they have reviewed and provided their comments on.

S&P team conveyed that they have circulated their observations to CoC members including certain points which were for information of the members and many of these were similar to ones earlier shared by A&M. With this they called upon A&M team to present their observations first.

A&M team, process advisors to CoC, presented their analysis with summary of commercial proposal of the resolution plan. A&M team also highlighted that since they had received the signed version of the revised resolution plan submitted by Space Mantra just before this CoC meeting, the analysis being presented is based on the version received last by them and that it is assumed that the signed plan is largely same. It was highlighted that A&M team understands that there were no significant changes in the commercial clauses and only minor legal curing that was done. They presented a summary of the revised resolution plan and the details of improvement from the previous plan. A&M team also highlighted that the RA has undertaken to fund any shortfall in the generated funds through its own sources and have also provided for a letter of support from Touchstone Capital Limited (an AIF, hereinafter mentioned as “**TCL**”) having AUM of more than INR 5,000 crore.

Specific clarifications sought / comments made by attendees of the CoC meeting:

Meeting Attendee	Clarification/Comments	RP & RP team / Legal Advisor / Other's Response
S&P	Is the amount of c.INR 93 crores towards Outstanding Employee Contributions frozen or is dynamic which could change?	A&M team: From the information provided by RP, we understand that there is an additional amount of c. INR 3.8 crore, forming part of claims received belatedly, could be added. However, these claims are yet to be approved by CoC as well as Hon'ble NCLT. Incase this amount towards employees gets

		<p>approved, this amount will become part of the Total Outstanding Contributions towards employees.</p> <p>S&amp;P clarified that this additional amount will also be deducted and A&amp;M confirmed the same.</p>
S&P	Are there no secured operational creditors, like the ones in the matter of Rainbow Papers?	A&M team: There are no such secured operational creditors informed to us.
IDBI Bank	<p>A&amp;M team, can you provide lender wise distribution of the resolution amount proposed to be paid under the revised resolution plan?</p>	<p>A&amp;M team presented a lender wise distribution on estimation basis, based on respective voting shares of the CoC members.</p> <p>A&amp;M team indicated that in addition to this amount presented, Additional FC share will also be payable, but this amount was indeterminable at the moment, which will be paid on actuals if and when realized.</p>
IDBI Bank	From the revised resolution plan, the Additional FC share amount, will also be distributed as per the distribution pattern being presented by A&M.	S&P team: A&M had mentioned that the plan says that Additional FC share shall be distributed amongst the financial creditors. So, the interpretation of the member was correct that the

		<p>additional share will also get distributed in similar pattern. The only question S&amp;P team and A&amp;M team together had was that, assuming that there are some dissenting financial creditors, then as and when the Additional FC share comes out, should the dissenting financial creditors get their share from this additional amount or it would only be distributed amongst the assenting financial creditors only? This is something that lenders should think about at this stage. Otherwise, the interpretation was correct. If all were assenting, then the amount will be distributed in the ratio of percentage of voting rights.</p>
IDBI Bank	<p>As far as the additional share was concerned, this is an amount that may be realized from transactions declared as PUFE and not related to resolution plan, so our view is that such amount realized should be distributed among all the lenders irrespective of them being dissenting or assenting.</p>	<p>S&amp;P team acknowledged the input and left it upon wisdom of CoC and for them to decide.</p> <p>A&amp;P team: The latest resolution plan that has been submitted, specifically says that the dissenting financial creditors will only get the minimum liquidation value. In this case the dissenting financial</p>

		creditors will not get any amount from these proceeds towards Additional FC share. However, the plan also enables the financial creditors to decide the distribution and accordingly the same can be done.
IDBI	The first resolution plan that was received, there was condition for the Additional FC share, that it shall be distributed only among the assenting FCs to which the lenders had already opposed at that time since it was outside the purview of the RA to give treatment to the Additional FC share.	S&P: We don't exactly recall the decision taken by the lenders, however a discussion did happen at that moment, to which the lenders were to decide on this condition.  Also, as far as we recollect the Additional FC share only referred to these litigations i.e., avoidance transactions in the earlier plan, but now they also refer to proceeds from sale of assets at inaccessible stores. However, this change in context can be debated.

S&P further informed the CoC on certain key aspects of the revised resolution plan:

- While the CIRP costs are being borne by the RA as per the revised resolution plan, the potential costs related to related party/ inaccessible premises and idle manpower, carved out of CIRP costs basis the legal opinion received by the RP and as previously discussed at the meetings of the CoC , shall be made from Generated Funds if at all the same becomes payable. This is a clear provision that the RA has given in the resolution plan.

- The monitoring agency cost and the transaction costs, as per the revised resolution plan, will be borne by the RA. However, the same shall be incurred only with the consent of the RA in writing. S&P pointed out that these going concern cost is critical for keeping the company as a going concern and the express requirement from the RA should not be required in the MC period. However, the RA is of the view that since they would be bearing these costs, they want to retain the right of consent to be obtained from them in writing before incurring these expenses. There is theoretically a risk if the costs required for going concern operations of the company are not approved by the RA, then who bears it? It could be proposed that extra ordinary costs, apart from the general going concern costs, shall need RA's approval. In the previous plan that was put to vote, this was not the condition because at that time they were not bearing these costs in its entirety.
- On the sale of the assets of accessible stores, the RA shall undertake the sale of these assets without any approval / supervision of the Monitoring Agency and proceeds received within a period of 24 months from the Closing Date will be for the benefit of the Financial Creditors. While this was highlighted to the RA, the RA has not incorporated any language in relation to a sale structure for the assets pertaining to the inaccessible stores.

Specific clarifications sought / comments made by attendees of the CoC meeting:

Meeting Attendee	Clarification/Comments	RP & RP team / Legal Advisor / Other's Response
IDBI	I understand there are 3 members in the monitoring committee, one from the CoC, the RP and other?	S&P: The Monitoring Agency comprises of two representatives of the RA, two representatives of the CoC and an Insolvency Professional (not the RP) that shall be appointed with the mutual agreement of the RA and the assenting financial creditors.

- Regarding the acquisition structure and the change of shareholding, this point was there in the previous plan as well, where the delisting of shares and change of shareholding was being undertaken on the Effective Date itself. Now effective date is the date when the condition precedents will be fulfilled and the 90 days' timeline for the implementation of the plan will trigger from that date. The resolution plan indicates that, on the Effective Date, the existing equity shares will get cancelled and 100% shareholding of the Company shall be issued to the RA against upfront equity infusion. However, it has been clarified in the plan that the debt would get extinguished only on the Closing Date, which is the date on which the plan is getting implemented. This point was negotiated with the RA even in the previous plan and as part of this plan also and the RA has retained the same structure without any change. The RA has also proposed a delisting of the shares of the Company for which they will take steps as on the Effective Date itself.

Specific clarifications sought / comments made by attendees of the CoC meeting:

Meeting Attendee	Clarification/Comments	RP & RP team / Legal Advisor / Other's Response
IDBI	Can CoC accept this acquisition structure points i.e., on the Effective Date instead of the Closing Date?	S&P: We have negotiated with the RA and tried that this acquisition of shareholding is undertaken on the Closing Date itself, but the RA wants to retain this stand for the purpose of having the shareholding on the Effective Date itself. So, while we have put across this point that since the implementation of the plan is happening on the Closing Date, the control and the shareholding should also be

		transferred on the Closing Date itself, the RA is very determined with the position that they want to take the shareholding on the Effective Date itself.
IDBI	<p>What control will the lenders have if the control is being transferred without payment being made?</p>	<p>S&amp;P: This was put forth to the RA. They have a twofold argument on this. As the sale would be undertaken under the supervision of the Monitoring Agency ("MA"), the MA would have the supervision on the sale of the assets and the RA will be responsible for it.</p> <p>However, to conduct this process in a smooth manner they state that they would need this kind of structure to be in place.</p> <p>This has been pointed out to the CoC members now and it would be the CoC's commercial wisdom to go ahead with this approve or reject this kind of acquisition structure and as of now we have been given a signed plan.</p>

RP team	<p>It is understood that the MA remains in control and the RA is responsible essentially for sale of the assets under the supervision of the MA. In addition, the entire FC debt continues and the FC's continue to have charge on the assets.</p>	<p>S&amp;P: Correct. FC debt will continue till the Closing Date and once the payment is made, then the FC debt will be converted into equity and extinguished. However, the shareholding and delisting of the company would be undertaken by the RA on the Effective Date itself.</p>
IDBI	<p>If on the 90th day, the plan doesn't get executed, will be able to reverse this transactions?</p> <p>In the above circumstances then, who will be the new shareholders of the Company?</p>	<p>S&amp;P: In such a situation, liquidation will take place and appropriate filings will have to be made with the NCLT to undo whatever has been undertaken as part of the resolution plan.</p> <p>S&amp;P: You will have to revert back the entire thing and hence normally all of these things happen simultaneous to the Closing Date and not before.</p> <p>IDBI: So, we can convey to the RA that this is a non-negotiable point from the CoC and the control shall be handed over only on the Closing Date.</p>

SBI and Indusind bank concurred with the views of IDBI bank. With that noted, S&P team continued with other points.

- Role of the MA: the sale would be undertaken by the RA under the supervision of the MA. The RA has clarified that they would be responsible for undertaking the sale. However, it has been queried if an express approval from the MC would be undertaken for the sales structure and all that would be proposed for the sale of the assets. This has not been clarified and it has been stated that only a supervision by the MA would be there for the RA to undertake the sale of the assets and the MA is required to provide necessary support and cooperation.
- Composition of the MA: As per the revised resolution plan, the MA comprises of two nominees of the CoC, two nominees of the RA and an Insolvency Professional appointed with mutual agreement between the assenting FCs and the RA.
- Tenure of the MA: will be till Closing Date and if the closing date is extended then the MA would also continue to exercise the power of board and its function from the 91st day till the Closing Date. The Closing Date is defined as 90 days from the Effective Date and it may be extended in case if there is any stay on the implementation of the plan by court or tribunal and the day the stay is vacated, a fresh calculation of 90 days would start from that day.
- The Conditions Precedents mentioned in the resolution plan was explained by the S&P team. In relation to the release of security, the revised resolution plan states that within seven days from the implementation of the plan, CoC members will give them the NOC in the format provided in the resolution plan and after that within 15 days the CoC members will have to hand over all the security documents. It was proposed to RA that this security should only be released for the assets which have been sold and the Generated Funds have been realized and the assets forming part of the inaccessible premises, the security can be retained by the Secured FCs. However, this request has not been accepted and as per the last version of the resolution plan the security has to be released for on all the

assets of the Corporate Debtor on the Closing Date including those assets which form part of the inaccessible premises.

Specific clarifications sought / comments made by attendees of the CoC meeting:

Meeting Attendee	Clarification/Comments	RP & RP team / Legal Advisor / Other's Response
IDBI	CIRP cost to be paid additionally by the RA will be as on date of NCLT approval or as on date of CoC approval?	S&P: Unpaid CIRP costs as on the NCLT approval because that is when the CIRP ends and after that they are bearing all the costs during monitoring period as well.

- S&P stated that currently, while the plan says that the Additional FC share is available to FCs and the manner of distribution can be decided by the COC, in the other part of the plan, it is provided that the dissenting FC would be paid only the minimum liquidation value. Since the plan already enables that the COC can decide the manner of distribution, the COC can record that the avoidance transaction proceeds shall be available to all FCs irrespective of assenting or dissenting is how the matter would get clarified.

Thereafter, the RP & RP team sought permission of the CoC to invite the RA to deliberate on the critical points that the CoC may have.

A&M team and S&P team decided that the following points shall be discussed with the RA:

1. Implementation structure – transfer of shareholding to RA on Closing Date vs Effective Date as currently indicated in the resolution plan
2. Mechanism for sale of assets in inaccessible stores and the 24 months' timeline provided the resolution plan

The RA was welcomed to the CoC meeting. The RA representative joined the meeting. The discussed points were placed before the RA by A&M team and S&P team on behalf of the CoC.

On the implementation structure, the RA indicated that the intent has been to implement the resolution plan within the 90 days' timeline as indicated in the plan and the shareholding would be required to be able to execute the sale of the assets. However, since this has been put across as a non-negotiable point, they would reconsider this and get back in form of an addendum.

On the mechanism for sale of assets at inaccessible stores and the 24 months' timeline, the RA indicated that it was a judicious decision taken basis which a maximum period of 24 months has been considered to carry out the sale of purported assets lying at the inaccessible stores. Further, it was stated that taking into account various challenges that the RP has faced during the CIRP to get access to this inaccessible stores, the RA shall undertake efforts to access these inaccessible premises for a period of 24 months from the Closing Date and proceeds – net of costs of taxes - that may be realized from sale of these assets is an added benefit to the CoC over and above the proposed resolution amount. On the mechanism for sale of assets at inaccessible stores, the RA indicated that if the lenders are willing to take full responsibility for these assets, they may.

A&M team indicated that the lenders are looking for a resolution of the Company as a whole by way of this CIRP. It should not happen that they have resolved only part of the Company and for the balance part, they continue to look for buyers. It is not the intention of the lenders to only sell part of the Company and keep the balance part, and that is the reason why this entire Company has been offered to PRAs.

As far as inaccessible stores are concerned, they are inaccessible right now and, in the future, once the RA is able to get control of those, the RA will sell whatever assets are there and then accordingly pay the proceeds to the lenders, that is the mechanism that lenders have in mind. According to the RA, the security on those assets should also be released which is very difficult for the lenders to agree at this point of time without realizing that whether those will be taken over and whether those will be sold and then what will be the mechanism for sale etc.

A&M team also indicated that this is a process that the CoC is running, and they have a right to place their requests and what they want as part of the resolution plan, you can, as a RA willingly choose to accept or not, and present your resolution plan and the CoC will decide whether they want to accept it or not.

RP / RP team requested the RA to consider the points which have been raised and come back with whatever the final decision on these points, preferably within 2 days, as an addendum which may be circulated along with the minutes of the meeting to the CoC. The RA took note of the same and exited the meeting.

IDBI	We can go ahead only after receiving the addendum. Knowing from previous experience on the time taken by the RA to get back, we may keep an outer timeline till 14 <sup>th</sup> May - 5 PM for the RA to come back.	RP & RP team: We will accordingly defer minutes circulation till 14 <sup>th</sup> May, 5 PM for the RA to provide the addendum, if any. We will then place the plan for e-voting immediately upon circulation of the minutes.
HDFC	What will be the timelines for the voting? Please note that we will have to go to our respective committees for approval.	SAM team: The timelines for voting would be a period of a week, which will be subject to further extensions of 24 hours at a time basis request from the CoC members.  RP & RP team: Matter will stand resolved once required votes have

	<p>Once we achieve 66% votes, the voting lines will be closed?</p>	<p>been obtained within the defined timeline.</p> <p>SAM Team: Agreed and the ideal way is to keep the voting lines open for a week i.e. 7 days and then to extend by 24 hours basis request received from the CoC members and once the voting achieves the outcome i.e. 66% approval is received, only one extension is allowed and post that no more extension can be allowed.</p> <p>S&amp;P: After obtaining 66% of vote, you'll get only one 24 hours of extension. Further the lenders should be mindful of the voting timelines considering NCLT has been questioning on pursual of the liquidation application.</p>
IDBI	<p>We will require at least 3 weeks' time to conclude on the voting.</p> <p>We can target for 31<sup>st</sup> May 2024</p>	<p>S&amp;P: Lenders may request for additional time but should not go beyond 3 weeks as the NCLT may reject the liquidation application and request to file again which would further delay the process.</p> <p>S&amp;P: Agreed and by then the court</p>

	and try to conclude the voting by then.	shall resume after holidays and accordingly the lenders can put in a standing request for extension of voting lines to the RP.
