Concurso Mercantil

As the Trustee previously informed the Holders, on November 3, 2022, the Company filed a petition (the “**Concurso Petition**”) to initiate *concurso mercantil* proceedings (the “**Concurso Proceeding**”) in *el Juzgado Primero de Distrito en Materia de Concursos Mercantiles con residencia en la Ciudad de Mexico* (the “**Concurso Court**”). The Guarantors are also debtors in the Concurso Proceeding. On November 8, 2022, the Concurso Court issued a ruling admitting the Concurso Petition and ordering the appointment of a *visitador* by the *Instituto Federal de Especialistas de Concursos Mercantiles* (“**IFECOM**”). The Trustee understands that IFECOM appointed José Gerardo Badín Cherit as *visitador* and thereafter IFECOM appointed Enrique Estrella Menéndez as the conciliator (“**Conciliator**”).

As also previously informed, on January 27, 2023 the Conciliator published the

judgment declaring the Company in Concurso in the Federal Official Gazette. As a result, the Trustee has been advised that the deadline to file a proof of claim against the Company in the Concurso Proceeding was February 16, 2023 for creditors with residence in Mexico, while for creditors with residence outside of Mexico, the deadline is March 13, 2023.

The Trustee timely filed proofs of claim in the Concurso Proceeding against the Company and the Guarantors on February 16, 2023 for principal and interest due under the Notes as of January 4, 2023. The official provisional list of creditors published by the Conciliator reflects the claims filed by the Trustee, including the amounts asserted by the Trustee against the Company and the Guarantors.

Events of Default

The Trustee previously informed holders of the Events of Default arising from the Company's failure to make interest payments of (i) \$7,000,000.00 on the Company's 7.0% Senior Notes due 2024 and (ii) \$10,747,845.63 on the Company's 7.375% Senior Notes due 2026 Notes, in each case due on August 12, 2022. As a result of such payment defaults continuing beyond the grace period, a cross-default Event of Default exists under each of the Indentures.

In addition the filing of the Concurso Petition by the Company is a Bankruptcy Event of Default and an Event of Default under Section 6.01(a)(vii) of each of the Indentures. As a result of such Event of Default the Notes became immediately due and payable on November 3, 2022.

Instruction by Holders

Section 6.05 of each of the Indentures state that subject to all provisions of the applicable Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then Outstanding Notes (as defined in the Indentures) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the applicable Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction, and the Trustee may take any other action it deems proper that is not inconsistent with any such direction received from Holders.

Section 7.01(i) of each of the Indentures states the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by the applicable Indenture at the request, order or direction of any of the Holders unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

Retention of Counsel

The Trustee has retained Norton Rose Fulbright US LLP in New York and Holland & Knight México S.C. in Mexico City to represent it in connection with the defaults under

the Indentures. To the extent not paid by the Company, the Trustee will exercise its rights to recover including the fees and expenses of all retained professionals and the fees and expenses for the extraordinary services by the Trustee's Default Administration Group from the recoveries under the Indentures for the Holders.
