About us.

Tele Columbus AG is one of Germany's leading fibre network operators which reaches more than 3 million homes. Via its brand PŸUR, the Company, offers high-speed internet including telephony and more than 200 TV channels. All of this via a digital entertainment platform that combines linear TV with video on demand entertainment. To its housing association partners the Tele Columbus Group offers tailored models of cooperation and state-of-the-art services such as telemetric and tenant portals. As a full-service partner for municipalities and regional utilities, the Company is actively supporting the fibre-based infrastructure and broadband internet expansion in Germany. For its business customers the Group offers carrier services and corporate solutions on its proprietary fibre network. Besides its headquarter in Berlin, the Company has locations in Hamburg, Leipzig, Ratingen and Unterföhring/Munich.
