BOGOTÁ, Colombia, May 8, 2023 /PRNewswire/ -- Oleoducto Central S.A. ("**Ocensa**"), announced today the early tender results in connection with its previously announced tender offer for cash (the "**Offer**") to purchase up to U.S.\$100,000,000 in aggregate principal amount (the "**Maximum Tender Amount**") of its outstanding 4.000% Notes due 2027 (CUSIP: (144A / Reg S): 680617 AC1 / P7358R AD8/ ISIN: (144A / Reg S): US680617AC18 / USP7358RAD81 / Common Code (144A / Reg S): 220679667 / 220679691) (the "**Notes**"). The Offer is being made pursuant to Ocensa's Offer to Purchase, dated April 24, 2023 (the "**Offer to Purchase**"), which sets forth a comprehensive description of the terms of the Offer.

Withdrawal rights for the Offer expired as of 5:00 p.m., New York City Time, on May 5, 2023 (unless extended by Ocensa, the "**Withdrawal Date**"). Notes validly tendered in the Offer may no longer be withdrawn after the Withdrawal Date, except as may be required by applicable law. As of 5:00 p.m., New York City time, May 5, 2023 (the "**Early Tender Date**"), the following principal amount of the Notes had been validly tendered and not validly withdrawn pursuant to the Offer:

(1) Per U.S.\$1,000 principal amount of Notes that are validly tendered and accepted for purchase pursuant to the Offer to Purchase.

(2) Includes the Early Tender Premium (as defined below) of U.S.\$30.00 per U.S.\$1,000 principal amount of Notes validly tendered (and not validly withdrawn) on or prior to the Early Tender Date.

(3) Excludes (i) accrued and unpaid interest up to, but not including, the Early Settlement Date (as defined below) or the Final Settlement Date (as defined below), as the case may be, and (ii) subject to the terms and exceptions set forth in the Indenture, any additional amounts such that the Tender Consideration (as defined below) or the Total Consideration set forth above, as applicable, and accrued interest received by Holders after the deduction or withholding of any taxes imposed or levied by or on behalf of Colombia will be equal to the amount that would have been due had there been no such taxes required to be so deducted or withheld, which will be paid in addition to the Total Consideration or the Tender Consideration, as the case may be.

Holders who have validly tendered and have not validly withdrawn their Notes on or prior to the Early Tender Date, and whose Notes are accepted for purchase by Ocesa pursuant to the Offer, will receive the Total Consideration as shown in the table above, which includes an early tender payment (the "**Early Tender Premium**") of U.S.\$30.00 per U.S.\$1,000 principal amount of Notes, subject to the Maximum Tender Amount. The "**Tender Consideration**" means, for each U.S.\$1,000 principal amount of Notes validly tendered and accepted by Ocesa, the Total Consideration minus the Early Tender Premium. The applicable Consideration will be payable in U.S. dollars.

In addition to the Total Consideration or Tender Consideration (as applicable) for the Notes validly tendered and accepted for purchase, Holders will also receive (i) accrued and unpaid interest from, and including, the last interest payment date up to, but excluding, the applicable Settlement Date (as defined below), and (ii) subject to the terms and exceptions set forth in the Indenture, any additional amounts such that the Tender Consideration or the Total Consideration, as applicable, and accrued interest received by Holders after the deduction or withholding of any taxes imposed or levied by or on behalf of Colombia will be equal to the amount that would have been due had there been no such taxes required to be so deducted or withheld, which will be paid in cash on the applicable Settlement Date.

As the aggregate principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date exceeded the Maximum Tender Amount, no Notes tendered after the Early Tender Date will be accepted for purchase. As set forth in the Offer to Purchase, Notes validly tendered and not validly withdrawn on or prior to the Early Tender Date in an amount not exceeding the Maximum Tender Amount will be accepted on a prorated basis and will be subject to a proration factor of approximately 49.595%. Notes tendered and not accepted for purchase pursuant to the Offer will be promptly returned to the tendering Holders. The Offer will expire at 11:59 p.m., New York City time, on May 19, 2023, unless extended or terminated earlier (the "**Expiration Date**").

Ocesa reserves the right, but is not obligated, to increase the Maximum Tender Amount in its sole and absolute discretion without extending the Early Tender Date or Withdrawal Date or otherwise reinstating withdrawal or revocation rights, except as required by applicable law.

For the Notes validly tendered on or prior to the Early Tender Date (and not subsequently validly withdrawn) and accepted by Ocesa for purchase pursuant to the Offer, subject to the Maximum Tender Amount and proration, Ocesa expects for settlement to occur on May 10, 2023, which is the third Business Day following the Early Tender Date (the "**Early Settlement Date**").

Ocensa expressly reserves the absolute right, in its sole discretion, from time to time to purchase any Notes that remain outstanding after the Final Settlement Date through open-market or privately negotiated transactions, one or more additional tender or exchange offers or otherwise on terms and at prices that may or may not be equal to the consideration offered in the Offer, or to exercise any of its rights, including redemption rights, under the Indenture governing the Notes.
