CONSENTS TO THE CONSENT SOLICITATION MAY BE REVOKED SUBJECT TO THE TERMS AND CONDITIONS SET FORTH HEREIN PRIOR TO BUT NOT AFTER THE EFFECTIVE TIME (AS DEFINED HEREIN), WHICH MAY OCCUR PRIOR TO THE EXPIRATION DATE.

Upon the terms and subject to the conditions set forth in this Consent Solicitation Statement (as it may be amended or supplemented from time to time, this “Consent Solicitation Statement”), Digicel Limited (the “Company,” “we,” “DL,” “us” or “our”) is soliciting consents (such solicitation being referred to herein as the “Consent Solicitation”) with respect to the Indenture dated March 3, 2015 among the Company, as issuer, the guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee (the “trustee”), as amended and supplemented (the “Indenture”), governing the 6.750% Senior Notes due 2023 (the “2023 Notes”), to extend the grace period before a default in the payment of interest, certain additional amounts, principal or premium with respect to the 2023 Notes constitutes an “Event of Default” as defined in the Indenture.

The purpose of the Consent Solicitation is to seek consents with respect to the Proposed Amendment (as defined below) on or prior to the Expiration Date. As of the date hereof, the beneficial owners of more than 75% of the outstanding principal amount of the 2023 Notes have indicated to us that they will consent to the Proposed Amendment. For a detailed description of the purpose of the Consent Solicitation and the Proposed Amendment, see “Purpose and Background of the Consent Solicitation” and “The Proposed Amendment” below. In this Consent Solicitation Statement, the term “Holder” means each registered holder of the 2023 Notes. Holders who deliver their consents pursuant to this Consent Solicitation Statement will not be entitled to any consent payment.

The Consent Solicitation is subject to the satisfaction of certain conditions as set forth in this Consent Solicitation Statement under the caption “The Consent Solicitation—Conditions to the Consent Solicitation.”

None of the Company, the Information and Tabulation Agent (as defined below), the trustee or any of their respective affiliates makes any recommendation in connection with the Consent Solicitation.

This Consent Solicitation Statement is dated May 23, 2023.

Holders are requested to read and consider carefully the information contained in this Consent Solicitation Statement and to provide their consent to the Proposed Amendment by delivering their consents in accordance with the instructions set forth herein.

By delivering a consent with respect to the 2023 Notes, a Holder authorizes, directs and requests that (i) upon receipt of all documentation required under the Indenture, the Company, the guarantors, the trustee and each other party to the Indenture enter into a supplemental indenture with respect to the 2023 Notes setting forth the Proposed Amendment (the “Supplemental Indenture”), and (ii) the Company, the guarantors, the trustee and each other party to the Indenture enter into such other documents, and take such other actions necessary or expedient, in order to give effect to, and permit, the Proposed Amendment.

The Proposed Amendment with respect to the 2023 Notes requires consents from Holders representing not less than a majority of the outstanding aggregate principal amount of the 2023 Notes (the “Requisite Consents”). The Proposed Amendment will become effective and operative upon receipt of the Requisite Consents and the execution of the Supplemental Indenture (the “Effective Time”), which may occur prior to the Expiration Date if the Requisite Consents are received before then.

Upon the Proposed Amendment becoming effective and operative, all Holders of the 2023 Notes would be bound by the terms of thereof, even if they did not deliver consents to the Proposed Amendment.

Holders who deliver their consents pursuant to this Consent Solicitation Statement will not be entitled to any consent payment.

Holders are requested to read and consider carefully the information contained in this Consent Solicitation Statement and to give their consent to the Proposed Amendment by delivering their consents through The Depository Trust Company (“DTC”)’s ATOP (as defined below) procedures described herein.

The Company expressly reserves the right, in its sole discretion and regardless of whether any of the conditions described under “The Consent Solicitation—Conditions to the Consent Solicitation” have been satisfied, subject to applicable law, at any time prior to the effectiveness of the Proposed Amendment, to (i) terminate the Consent Solicitation for any reason, (ii) waive any of the conditions to the Consent Solicitation, (iii) extend the Expiration Date, (iv) amend the terms of the Consent Solicitation or (v) modify the form or amount of the consideration to be paid pursuant to the Consent Solicitation.

See “The Consent Solicitation—Expiration Date; Extensions; Amendment.”

The delivery of a consent will temporarily affect a Holder’s right to sell or transfer the 2023 Notes. See “Certain Significant Considerations—2023 Notes for which consents are delivered will be temporarily blocked from trading until after the earliest of the Expiration Date, the date on which Holders revoke such consents and the date on which the Consent Solicitation is terminated.”

The Proposed Amendment will not alter the Company’s contractual obligation to pay the principal of or interest on the 2023 Notes or alter the stated interest rate, maturity date or redemption provisions of the 2023 Notes.

IMPORTANT NOTICE

Only Holders of the 2023 Notes are eligible to consent to the Proposed Amendment. Any beneficial owner of 2023 Notes who is not a Holder of such 2023 Notes must arrange with the person who is the Holder or such Holder's assignee or nominee to deliver their consent on behalf of such beneficial owner. For purposes of the Consent Solicitation, it is anticipated that the Consent Solicitation will be eligible for DTC's Automated Tender Offer Program ("ATOP") and that DTC will authorize DTC participants ("DTC Participants") to electronically deliver a consent by causing DTC to transfer their 2023 Notes and indicate delivery of a consent to Epiq Corporate Restructuring, LLC, as information and tabulation agent with respect to the Consent Solicitation (the "Information and Tabulation Agent"), in accordance with DTC's ATOP procedures for such transfer. DTC will verify the transfer and the electronic delivery of such consent and then send an Agent's Message (as defined below) to the Information and Tabulation Agent. DTC Participants must allow sufficient time for completion of the ATOP procedures during normal business hours of DTC. Beneficial owners must contact the broker, dealer, commercial bank, custodian or DTC Participant who holds 2023 Notes for them if they wish to instruct such party to deliver a consent with respect to such beneficial owner's 2023 Notes.

After submitting the Agent's Message, the CUSIPs for the 2023 Notes will temporarily be blocked, and the Consenting Holder's position cannot be sold or transferred, until after the earlier of (i) the Expiration Date, (ii) the date on which the DTC Participant revokes its consent and (iii) the date on which the Consent Solicitation is terminated. The Information and Tabulation Agent will instruct DTC to release the positions as soon as practicable but no later than three business days after the Expiration Date.

Holders who wish to consent must deliver their consents in accordance with DTC's ATOP procedures. Consents should not be delivered to the Company or the trustee. However, the Company reserves the right to accept any consent received by the Company or the trustee.

No person has been authorized to give any information or make any representations other than those contained or incorporated by reference herein, and, if given or made, such information or representations must not be relied upon as having been authorized by the Company, the trustee, the Information and Tabulation Agent or any other person. The statements made in this Consent Solicitation Statement are made as of the date hereof, and the delivery of this Consent Solicitation Statement and the accompanying materials shall not, under any circumstances, create any implication that the information contained herein is correct after the date hereof.

Questions concerning the terms of the Consent Solicitation or requests for additional copies of this Consent Solicitation Statement or other related documents should be directed to the Information and Tabulation Agent at the address or telephone number set forth on the back cover page hereof.

This Consent Solicitation Statement does not constitute a solicitation of consents in any jurisdiction in which, or to or from any person to or from whom, it is unlawful to make such solicitation under applicable federal securities or blue sky laws. This Consent Solicitation Statement does not constitute an offer to sell or the solicitation of an offer to buy any of the securities described or otherwise referred to in this Consent Solicitation Statement.

CONSENTS MUST BE ELECTRONICALLY DELIVERED IN ACCORDANCE WITH DTC'S ATOP PROCEDURES.

The purpose of the Consent Solicitation is to obtain, on or prior to the Expiration Date, consents from Holders of at least a majority in aggregate principal amount of the outstanding 2023 Notes to the Proposed Amendment to the Indenture. See “The Proposed Amendment” below. The Company is currently in active discussions with its creditors and advisors on a number of strategic alternatives to with respect to a potential financial restructuring. The Proposed Amendment would provide the Company with additional flexibility to facilitate any such restructuring transaction.

As of the date hereof, the beneficial owners of more than 75% of the outstanding principal amount of the 2023 Notes have indicated to us that they will consent to the Proposed Amendment.

THE PROPOSED AMENDMENT

Pursuant to the Consent Solicitation, the Company is soliciting consents to amend the Indenture to extend the grace period before a default in the payment of interest, certain additional amounts, principal or premium with respect to the 2023 Notes constitutes an “Event of Default” as defined in the Indenture, as described in more detail below (the “Proposed Amendment”). The summary of the provisions of the Indenture affected by the Proposed Amendment set forth below is qualified in its entirety by reference to the full and complete terms in the Indenture. Copies of the Indenture are available to Holders upon request to the Information and Tabulation Agent. Capitalized terms used in the summary below but not defined in this Consent Solicitation Statement have the meanings given to them in the Indenture. Pursuant to the terms of the Indenture, the Proposed Amendment set forth below requires the written consent of the Holders of not less than a majority in aggregate principal amount of the 2023 Notes then outstanding under the Indenture.

By delivering a consent in accordance with the terms hereof, the consenting Holder (a) acknowledges receipt of the Consent Solicitation Statement, (b) represents and warrants that it is a Holder of the 2023 Notes in respect of which such consent is delivered and has the full power to consent to the Proposed Amendment in respect of the 2023 Notes, and (c) consents to the Proposed Amendment.

Proposed Amendment

The Company requests Holders of 2023 Notes, by delivery of their consents, consent to the following changes to the Indenture, together with such ancillary changes as may be required or appropriate to give effect to such changes and to the following Proposed Amendment:

amend Section 1.01 to add the text marked with an underscore and delete the text marked with a strikethrough below:

“Grace Period” means a period of ~~75~~105 days commencing on the date that payment of principal, premium, if any, or interest on the Notes was originally due; *provided* that, if the Issuer provides written notice to the Trustee and the Holders, before the expiration of such ~~75~~105-day period, that it has received approval for an extension of an additional 15 days from persons that it believes in good faith are the beneficial owners of not less than a majority in aggregate principal amount of the outstanding Notes, and delivers to the Trustee an Officer’s Certificate confirming that the conditions to such extension have been met, the “Grace Period” means a period of ~~90~~120 days automatically and without further action on behalf of any party; and *provided further* that, if the Issuer provides written notice to the Trustee and the Holders that it has agreed in principle to the terms of a restructuring support agreement with persons that it believes in good faith are the beneficial owners of not less than a majority in aggregate principal amount of the outstanding Notes during such ~~75~~105-day period (or ~~90~~120-day period, as the case may be), and delivers to the Trustee an Officer’s Certificate confirming the conditions for a further extension as contemplated by this proviso have been met, the “Grace Period” means a period of the later of (a) ~~135~~165 days and (b) ~~150~~180 days (if the extension contemplated by the preceding proviso is effected), automatically and without further action on behalf of any party.

Any provision contained in the 2023 Notes that relates to any provision of the Indenture, as amended, shall likewise be amended so that any such provision contained in the 2023 Notes will conform to and be consistent with any provision of the Indenture, as amended.

When the Proposed Amendment will become Operative

The Proposed Amendment will become effective and operative upon receipt of the Requisite Consents and the execution of the Supplemental Indenture, which may occur prior to the Expiration Date if the Requisite Consents are received before then. Upon the Proposed Amendment becoming effective and operative, all Holders of the 2023 Notes would be bound by the terms thereof, even if they did not deliver consents to the Proposed Amendment.

CERTAIN SIGNIFICANT CONSIDERATIONS

None of the Company, the Information and Tabulation Agent, the trustee or any of their respective directors, officers, employees, agents or affiliates makes any recommendation as to whether a Holder should consent to the Proposed Amendment and none of the Company or its board of directors has authorized any person to make any such statement. Holders are urged to evaluate carefully all information included in this Consent Solicitation Statement, consult with their own legal, investment and tax advisors and make their own decision whether to provide their consent to the Proposed Amendment pursuant to the Consent Solicitation. In deciding whether to consent to the Proposed Amendment, you should carefully consider the following, in addition to the other information contained in this Consent Solicitation Statement.

The Proposed Amendment sought in the Consent Solicitation will be binding on all Holders once effective and operative.

If the Requisite Consents are obtained and the Proposed Amendment becomes effective and operative, all Holders of 2023 Notes will be bound by the Proposed Amendment, whether or not such Holder validly delivered, or validly revoked a consent or otherwise affirmatively objected to the Proposed Amendment. Non-consenting Holders (whether or not they affirmatively objected to the Proposed Amendment) will not be entitled to any rights of appraisal or similar rights of dissenters (whether pursuant to the Indenture or the Company's organizational documents) with respect to the adoption of the Proposed Amendment.

Limited ability to revoke the consents.

Consents may be validly revoked at any time prior to the Effective Time, but not thereafter, unless required by applicable law. The Proposed Amendment will become effective and operative with respect to the 2023 Notes at the Effective Time upon receipt by the Company of Requisite Consents, which may occur prior to the Expiration Date if Requisite Consents are received before then. If the Requisite Consents are received and the Proposed Amendment becomes effective and operative, consents may no longer be revoked notwithstanding that the Expiration Date may not have occurred and all Holders of the 2023 Notes would be bound by the terms of thereof even if they did not deliver consents to the Proposed Amendment.

The Consent Solicitation may adversely affect the liquidity, market value and price volatility of the 2023 Notes.

There can be no assurance that the liquidity, market value and price volatility of the 2023 Notes will not be adversely affected by the consummation of the Consent Solicitation or the effectiveness of the Proposed Amendment.

Certain tax consequences.

For a summary of certain tax consequences of the Consent Solicitation, see "Certain U.S. Federal Income Tax Considerations."

Holders are responsible for consulting with their advisors.

Holders should consult their own tax, accounting, financial and legal advisors regarding the suitability for themselves of the tax, accounting, financial, legal or other consequences of participating or refraining to participate in the Consent Solicitation.

None of the Company, the Information and Tabulation Agent or any director, officer, employee, agent or affiliate of any such person, is acting for any Holder, or will be responsible to any Holder for providing any protections which would be afforded to its clients or for providing advice in relation to the Consent Solicitation, and accordingly none of the Company, the Information and Tabulation Agent, the trustee or any director, officer, employee, agent or affiliate of any such person, makes any recommendation as to whether Holders should consent to the Proposed Amendment.

The Consent Solicitation may not be completed or may be terminated or amended in the sole discretion of the Company.

Until the Company announces whether it has decided to accept the consents validly delivered and not validly revoked in the Consent Solicitation, no assurance can be given that the Consent Solicitation will be completed. In addition, the Consent Solicitation may not be completed if any of the conditions described under “The Consent Solicitation—Conditions to the Consent Solicitation” are not satisfied or waived. Furthermore, subject to applicable law and as provided in the Consent Solicitation, the Company may, in its sole discretion, extend, amend or terminate the Consent Solicitation at any time before such announcement and may, in its sole discretion, waive any of the conditions to the Consent Solicitation either before or after such announcement. See “The Consent Solicitation—Conditions to the Consent Solicitation.”

Holders are responsible for complying with the procedures of the Consent Solicitation.

Each Holder is responsible for complying with all of the procedures for delivering or revoking a consent. None of the Company, the Information and Tabulation Agent, the trustee or any of their respective directors, officers, employees, agents or affiliates assumes any responsibility for informing the Holders of irregularities with respect to any consent. Consents may only be revoked as provided in this Consent Solicitation Statement. See “Revocation of Consents.”

Holders are responsible for assessing the merits of the Consent Solicitation.

Each Holder is responsible for assessing the merits of the Consent Solicitation. None of the Company, the Information and Tabulation Agent, the trustee or any director, officer, employee, agent or affiliate thereof, has made or will make any assessment of the merits of the Consent Solicitation or of the impact of the Consent Solicitation on the interests of the Holders either as a class or as individuals or makes any recommendation as to whether a Holder should consent to the Proposed Amendment.

2023 Notes for which consents are delivered will be temporarily blocked from trading until after the earliest of the Expiration Date, the date on which Holders revoke such consents and the date on which the Consent Solicitation is terminated.

The 2023 Notes for which a consent has been delivered through ATOP as part of the Consent Solicitation prior to the Expiration Date will be electronically submitted to the Information and Tabulation Agent and will remain with the Information and Tabulation Agent during the period beginning at the time the DTC Participant electronically delivers a consent and ending after the earlier of (i) the Expiration Date, (ii) the date on which the DTC Participant revokes its consent and (iii) the date on which the Consent Solicitation is terminated. During the period that 2023 Notes are so submitted to the Information and Tabulation Agent, such 2023 Notes will not be freely transferable to third parties and will be temporarily blocked from trading. Subsequent to the date on which the 2023 Notes are no longer blocked from trading, Holders may transfer the 2023 Notes in accordance with the terms thereof and in accordance with the procedures of DTC. In the period of time during which 2023 Notes are blocked pursuant to the foregoing procedures for delivering consents, Holders may be unable to promptly liquidate their 2023 Notes or timely react to adverse trading conditions and could suffer losses as a result of these restrictions on transferability.

THE CONSENT SOLICITATION

Overview

The Proposed Amendment will be effective and operative at the Effective Time, which may occur prior to the Expiration Date if the Requisite Consents are received before then. Upon receipt of the Requisite Consents, the Company and the guarantors party to the Indenture intend to execute a Supplemental Indenture to the Indenture, and will deliver such Supplemental Indenture to the trustee under the Indenture for execution in accordance with the Indenture. Upon the Proposed Amendment becoming effective and operative, all Holders of the 2023 Notes would be bound by the terms of thereof, even if they did not deliver consents to the Proposed Amendment.

If the Proposed Amendment becomes effective and operative, they will be binding on all Holders and their respective transferees, regardless of whether such Holders have consented to the Proposed Amendment.

Failure to deliver a consent will have the same effect as if a Holder had chosen not to give its consent with respect to the Proposed Amendment. The Company will provide notice in accordance with the Indenture to Holders of receipt of the Requisite Consents (if the Requisite Consents have been received) promptly after the Effective Time.

If a Holder delivers a consent on or prior to the Expiration Date, such consent may be validly revoked at any time prior to the Effective Time (which may occur prior to the Expiration Date if the Requisite Consents are received before then).

Beneficial owners of the 2023 Notes who wish to provide a consent and whose 2023 Notes are held, in the name of a broker, dealer, commercial bank, trust company or other nominee institution must contact such nominee promptly and instruct such nominee, as the Holder of such 2023 Notes, to promptly deliver their consent on behalf of the beneficial owner through the ATOP procedures described herein on or prior to the Expiration Date.

Consents may be delivered only in principal amounts equal to minimum denominations of \$200,000 (the “Minimum Authorized Denomination”) and integral multiples of \$1,000 in excess thereof. Holders who deliver consents that are less than all of their 2023 Notes must continue to hold 2023 Notes in at least the Minimum Authorized Denomination and integral multiples of \$1,000 in excess thereof. In order to be valid, consents must be submitted in respect of a minimum nominal amount of 2023 Notes of no less than the Minimum Authorized Denomination and integral multiples of \$1,000 in excess thereof. No alternative, conditional or contingent consents will be accepted.

No Consent Payment

Holders who deliver their consents pursuant to this Consent Solicitation Statement will not be entitled to any consent payment.

Conditions to the Consent Solicitation

The obligation of the Company to accept validly delivered and unrevoked consents is subject to (i) Requisite Consents for the Consent Solicitation having been received (and not validly revoked) on or prior to the Expiration Date and (ii) the absence of any law or regulation, and the absence of any injunction or action or other proceeding (pending or threatened) that (in the case of any action or proceeding if adversely determined) would make unlawful or invalid or enjoin the implementation of the Proposed Amendment or that would question the legality or validity thereof. The Proposed Amendment will become effective and operative upon receipt of the Requisite Consents and the execution of the Supplemental Indenture. Upon the Proposed Amendment becoming effective and operative, all Holders of the 2023 Notes would be bound by the terms of thereof, even if they did not deliver consents to the Proposed Amendment.

If any of the preceding conditions are not satisfied on or prior to the Expiration Date with respect to the Consent Solicitation, the Company may, in its sole discretion and without giving any notice, allow the Consent Solicitation to lapse or extend the solicitation period and continue soliciting consents pursuant to the Consent Solicitation. Subject to applicable law, the Consent Solicitation may be abandoned or terminated at any time prior to the Proposed Amendment becoming effective and operative for any reason, in which case any consents received will be voided.

Expiration Date; Extensions; Amendment

The term “Expiration Date” means, with respect to the Consent Solicitation, 5:00 p.m., New York City time, on May 26, 2023, unless the Company, in its sole discretion, extends the period during which the Consent Solicitation is open, in which case the term “Expiration Date” means the latest time and date to which the Consent Solicitation is extended. In order to extend the Expiration Date with respect to the Consent Solicitation, the Company will notify the Information and Tabulation Agent in writing or orally of any extension and will make a public announcement thereof. The Company may extend the Consent Solicitation on a daily basis or for such specified period of time as it determines in its sole discretion. Failure by any Holder or beneficial owner of 2023 Notes to be so notified will not affect the extension of the Consent Solicitation.

If the Consent Solicitation is amended or modified in a manner determined by the Company to constitute a material change to the Holders, the Company will promptly disclose such amendment or modification in a manner deemed appropriate and may, if appropriate, extend the Consent Solicitation for a period deemed by it to be adequate to permit the Holders to deliver and/or revoke their consents.

Notwithstanding anything to the contrary set forth in this Consent Solicitation Statement, the Company expressly reserves the right, in its sole discretion and regardless of whether any of the conditions described above under “—Conditions to the Consent Solicitation” have been satisfied, subject to applicable law, at any time prior to the effectiveness of the Proposed Amendment with respect to the Consent Solicitation, to (i) terminate the Consent Solicitation for any reason, (ii) waive any of the conditions to the Consent Solicitation, (iii) extend the Expiration Date with respect to the Consent Solicitation, or (iv) amend the terms of the Consent Solicitation.

PROCEDURES FOR DELIVERING CONSENTS

The delivery of consents pursuant to the Consent Solicitation in accordance with the procedures described below will constitute a valid delivery of consents to the Proposed Amendment. Any consent delivered and subsequently validly revoked will be deemed not to have been validly delivered.

All of the 2023 Notes are held in book-entry form and registered in the name of Cede & Co., as the nominee of DTC. Only Holders are authorized to deliver consents with respect to their 2023 Notes. Therefore, to deliver consents with respect to the 2023 Notes that are held through a broker, dealer, commercial bank, trust company or other nominee, the beneficial owner thereof must instruct such nominee to deliver the consents on the beneficial owner's behalf according to the procedures described below.

It is anticipated that the Consent Solicitation will be eligible for DTC's ATOP. Accordingly, DTC Participants may electronically deliver a consent by causing DTC to transfer their 2023 Notes to the Information and Tabulation Agent in accordance with DTC's ATOP procedures for such a transfer. By making such transfer and delivery of consent, DTC Participants will be deemed to have delivered a consent with respect to any 2023 Notes so transferred. DTC will verify the transfer and the electronic delivery of such consent and then send an Agent's Message (as defined below) to the Information and Tabulation Agent.

The term "Agent's Message" means a message transmitted by DTC, received by the Information and Tabulation Agent and forming part of the Book-Entry Confirmation (as defined below), which states that DTC has received an express acknowledgment from the DTC Participant delivering consents which are the subject of such Book-Entry Confirmation that such DTC Participant (i) has received and agrees to be bound by the terms of the Consent Solicitation as set forth in this Consent Solicitation Statement and that the Company may enforce such agreement against such DTC Participant, and (ii) consents to the adoption of the Proposed Amendment and the execution and delivery of the Supplemental Indenture as described in this Consent Solicitation Statement.

The Information and Tabulation Agent will seek to establish an account with respect to the 2023 Notes at DTC (the "Book Entry Transfer Facility") promptly after the date of this Consent Solicitation Statement, and any financial institution that is a participant in the Book-Entry Transfer Facility system and whose name appears on a security position listing as the owner of 2023 Notes may make book-entry delivery of 2023 Notes into the Information and Tabulation Agent's account in accordance with the Book-Entry Transfer Facility's procedures for such transfer. The confirmation of a book-entry transfer of 2023 Notes into the Information and Tabulation Agent's account at the Book-Entry Transfer Facility as described above is referred to herein as a "Book-Entry Confirmation."

The 2023 Notes for which a consent has been delivered through ATOP as part of the Consent Solicitation prior to the Expiration Date will be electronically submitted to the Information and Tabulation Agent and will remain with the Information and Tabulation Agent during the period beginning at the time the DTC Participant electronically delivers a consent and ending after the earlier of (i) the Expiration Date, (ii) the date on which the DTC Participant revokes its consent and (iii) the date on which the Consent Solicitation is terminated. During the period that 2023 Notes are held with the Information and Tabulation Agent, such 2023 Notes will not be freely transferable to third parties and will be temporarily blocked from trading. The Information and Tabulation Agent will instruct DTC to release the positions no later than three business days after the Expiration Date. See "Certain Significant Considerations—2023 Notes for which consents are delivered will be temporarily blocked from trading until after the earliest of the Expiration Date, the date on which Holders revoke such consents and the date on which the Consent Solicitation is terminated."

CONSENTS MUST BE ELECTRONICALLY DELIVERED IN ACCORDANCE WITH DTC'S ATOP PROCEDURES.

A beneficial owner of 2023 Notes held through a broker, dealer, commercial bank, custodian or DTC participant must provide appropriate instructions to such person in order to cause a delivery of consent through ATOP, with respect to such 2023 Notes.

Holders desiring to deliver their consents prior to the Expiration Date should note that they must allow sufficient time for completion of the ATOP procedures during the normal business hours of DTC on such respective date. Consents not delivered prior to the Expiration Date will be disregarded and of no effect.

The method of delivery of consent through the ATOP procedures is at the election and risk of the Holder, and, delivery will be deemed made only when made through ATOP in accordance with the procedures described herein.

All questions as to the validity, form, eligibility (including time of receipt) and acceptance of consents and revocations of consents will be resolved by the Company, in its sole discretion and whose determinations will be binding. The Company reserves the absolute right to reject any or all consents and revocations that are not in proper form or the acceptance of which could, in the opinion of the Company's counsel, be unlawful. The Company also reserves the right to waive any irregularities in connection with deliveries, which the Company may require to be cured within such time as the Company determines. None of the Company, the trustee, the Information and Tabulation Agent or any other person shall have any duty to give notification of any such irregularities or waiver, nor shall any of them incur any liability for failure to give such notification. Deliveries of consents or notices of revocation will not be deemed to have been made until such irregularities have been cured or waived. The Company's interpretation of the terms and conditions of the Consent Solicitation (including this Consent Solicitation Statement and the instructions hereto) will be final and binding on all parties.

No Letter of Transmittal or Consent Form

No consent form or letter of transmittal needs to be executed in relation to the Consent Solicitation or the consents delivered through DTC's ATOP procedures. The valid electronic delivery of consents through the temporary transfer and surrender of the 2023 Notes in accordance with DTC's ATOP procedures shall constitute a written consent to the Proposed Amendment.

REVOCATION OF CONSENTS

A properly delivered consent received on or prior to the Expiration Date will be given effect in accordance with its terms unless properly revoked at or prior to the Effective Time. Consents may not be revoked after the Effective Time.

Prior to the Effective Time, any Holder may revoke any consent given as to its 2023 Notes or any portion of such 2023 Notes (in integral multiples of \$1,000). Holders who wish to exercise their right of revocation with respect to a consent must give a properly transmitted “Requested Message” through ATOP. Validly revoked consents may be redelivered by following the procedures described elsewhere in this Consent Solicitation Statement at any time prior to the Expiration Date. **Under no circumstances may consents be revoked after the Effective Time.**

CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of certain U.S. federal income tax considerations relating to the Consent Solicitation and the Proposed Amendment to U.S. Holders (as defined below) but does not purport to be a complete analysis of all potential U.S. federal income tax considerations. This summary is based on the provisions of the United States Internal Revenue Code of 1986, as amended (the “Code”), the Treasury regulations promulgated thereunder, judicial authority, published administrative positions of the U.S. Internal Revenue Service (the “IRS”) and other applicable authorities, all as in effect as of the date of this document, and all of which are subject to change.

Changes in such rules or new interpretations thereof may have retroactive effect and could significantly affect the United States federal income tax considerations discussed below. We have not obtained, nor do we intend to obtain, a ruling from the IRS with respect to the statements made and the conclusions reached in the following summary, and there can be no assurance that the IRS will not challenge any of the conclusions or that a court would not sustain any challenge by the IRS set forth herein.

This summary assumes that beneficial owners hold the 2023 Notes as “capital assets” within the meaning of section 1221 of the Code (generally, property held for investment). This summary is general in nature and does not purport to deal with all aspects of U.S. federal income taxation or other tax considerations that might be relevant to particular U.S. Holders in light of their personal investment circumstances or status, nor does it address tax considerations applicable to investors that may be subject to special tax rules, such as banks or other financial institutions, individual retirement and other tax-deferred accounts, tax-exempt entities, partnerships or other pass-through entities for United States federal income tax purposes or investors in such entities, insurance companies, regulated investment companies, real estate investment trusts, dealers or traders in securities that use a mark-to-market method of tax accounting, or persons subject to the alternative minimum tax or special tax accounting rules under Section 451(b) of the Code. This summary also does not discuss 2023 Notes held as part of a hedge, straddle, synthetic security or other integrated transaction, or situations in which the “functional currency” of a U.S. Holder is not the U.S. dollar. Moreover, this summary also does not discuss any consequences resulting from the Medicare tax on net investment income or the effect of any applicable federal estate or gift, state, local or non-United States tax laws.

In the case of 2023 Notes held by an entity that is classified as a partnership for U.S. federal income tax purposes, the tax treatment of the 2023 Notes to a partner in the partnership generally will depend upon the tax status of the partner and the activities of the partner and the partnership. If you are a partnership or a partner in a partnership holding 2023 Notes, then you should consult your own tax advisors regarding the tax consequences relating to the Consent Solicitation and the Proposed Amendment.

U.S. Holders should consult their own tax advisors with respect to the application of the U.S. federal income tax laws to the Consent Solicitation and the Proposed Amendment in light of their particular situations, as well as any tax consequences arising under other U.S. federal tax laws or the laws of any state, local or non-United States taxing jurisdiction or under any applicable tax treaty.

U.S. Holders

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of a 2023 Note that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation created or organized under the laws of the United States, any state thereof or the District of Columbia; or
- an estate or trust the income of which is subject to U.S. federal income taxation regardless of its source.

Modification of the 2023 Notes

The U.S. federal income tax consequences to a U.S. Holder of the Proposed Amendment will depend upon whether the Proposed Amendment results in a “significant modification” of the 2023 Notes, and thus a deemed exchange of the 2023 Notes for “new” notes for U.S. federal income tax purposes. Under applicable Treasury regulations, the modification of a debt instrument generally is a significant modification if, based on the facts and circumstances and taking into account all modifications (other than certain modification that are subject to special rules) of the debt instrument collectively, the legal rights or obligations that are altered and the degree to which they are altered are “economically significant.” The applicable Treasury regulations provide specific rules for determining whether certain types of modifications are significant, which include if it meets certain requirements, among others, a rule designating safe harbor in which a deferral of payments on a debt instrument is not treated as significant.

Although the issue is not free from doubt, the Company intends to take the position that the adoption of the Proposed Amendment will not cause a significant modification to the terms of the 2023 Notes for U.S. federal income tax purposes and thus will not result in a deemed exchange of the 2023 Notes. Assuming this treatment is respected, (i) a U.S. Holder should not recognize any gain or loss as a result of the Consent Solicitation, regardless of whether the U.S. Holder is a Consenting Holder, and (ii) a U.S. Holder should have the same adjusted tax basis, holding period and accrued market discount (if any) in such 2023 Notes after the Consent Solicitation that such U.S. Holder had in such 2023 Notes immediately prior thereto.

If, contrary to our assumption, the adoption of the Proposed Amendment were to be considered a significant modification and result in a deemed exchange, a U.S. Holder could be required to recognize gain or (subject to the application of the wash sale rules of Section 1091 of the Code) loss on the deemed exchange, subject to the possibility of treating the Proposed Amendment as a tax free “recapitalization” of the 2023 Notes. U.S. Holders should consult their own tax advisors as to the specific tax consequences to them of such a deemed exchange.

It is possible that the revisions to the grace period resulting from the Proposed Amendment could cause the final interest payment on the notes to be treated as not constituting “qualified stated interest.” In that event, a U.S. Holder might be required to recognize income in respect of such payment in advance of receipt. U.S. Holders should consult their tax advisors about this potential consequence of the Proposed Amendment.
