Adani Ports and Special Economic Zone Limited Announces the Tender Offer Results as at the Early Tender Date with respect to the Tender Offer for its 3.375% Senior Notes due 2024.

ADANI PORTS AND SPECIAL ECONOMIC ZONE LIMITED

Offer to Purchase for Cash

up to US\$195,000,000 in aggregate principal amount of the outstanding 3.375% Senior Notes due 2024

(Regulation S Notes - CUSIP: Y00130RW9, ISIN: USY00130RW92)

(Rule 144A Notes - CUSIP: 00652MAF9, ISIN: US00652MAF95)

October 11, 2023, Wednesday, New York City Time - Adani Ports and Special Economic Zone Limited (the “**Company**”) hereby announces the results as of the Early Tender Date (as defined below) with respect to its previously announced offer to purchase for cash (the “**Tender Offer**”) up to US\$195,000,000 in aggregate principal amount (the “**Maximum Acceptance Amount**”) of its outstanding 3.375% Senior Notes due 2024 (the “**Notes**”) from each registered holder (each, a “**Holder**” and, collectively, the “**Holders**”), on the terms and subject to the conditions set forth in the tender offer memorandum dated September 27, 2023 prepared in connection with the Tender Offer (as it may be amended or supplemented from time to time, the “**Tender Offer Memorandum**”).

Capitalized terms used and not otherwise defined in this announcement have the meanings given to them in the Tender Offer Memorandum.

Expiration of the Early Tender Date and Early Acceptance of Tendered Notes

The Early Tender Date of the Tender Offer occurred at 5:00 P.M., New York City time, on October 11, 2023 (such time and date, the “**Early Tender Date**”). Holders were required to validly tender (and not validly withdrawn) their Notes on or prior to the Early Tender Date to be eligible to receive the Early Tender Offer Consideration (as defined below) for the Tender Offer. The consideration offered to those Holders who tendered their Notes on or prior to the Early Tender Date will be US\$975 per US\$1,000 principal amount of the Notes validly tendered and accepted pursuant to the Tender Offer (the “**Early Tender Offer Consideration**”).

According to the information provided by D.F. King Limited (the “**Information and Tender Agent**”), the information and tender agent for the Tender Offer, an aggregate principal amount of US\$212,972,000 of the Notes had been validly tendered and not validly withdrawn pursuant to the Tender Offer as at the Early Tender Date.

Since the principal amount of Notes validly tendered and not validly withdrawn on or prior to the Early Tender Date exceeded the Maximum Acceptance Amount of US\$195,000,000 in aggregate principal amount of the outstanding Notes, the Company will accept such Notes for purchase subject to the proration factor of 87.5619%.

The Company will pay the Early Tender Offer Consideration for US\$194,965,000 in aggregate principal amount of the Notes validly tendered and accepted for purchase on the Early Settlement Date (as defined herein). Where the

application of proration would otherwise have resulted in either (i) the Company accepting the Notes from any Holder in a principal amount of less than U.S.\$200,000 or (ii) the principal amount of the Notes not purchased due to scaling being less than U.S.\$200,000, the Company has elected to accept such tenders of the relevant Notes in full.

In addition, because the principal amount of Notes validly tendered and not validly withdrawn on or prior to the Early Tender Date exceeded the Maximum Acceptance Amount, the Company will not accept any Notes tendered after the Early Tender Date. Notes not accepted for purchase will be promptly credited to the account of the registered holder of such Notes with The Depository Trust Company in accordance with the Tender Offer Memorandum.

The settlement date for the Notes which were validly tendered and not validly withdrawn on or prior to the Early Tender Date and accepted for purchase is expected to be October 13, 2023 (the “**Early Settlement Date**”), subject to the terms and conditions described in the Tender Offer Memorandum. In addition to the Early Tender Offer Consideration, Holders will also receive accrued interest, in respect of any Notes purchased in the Tender Offer from, and including the last interest payment date to, but excluding, the Early Settlement Date.

The Company will arrange for cancellation of all Notes validly tendered and not validly withdrawn on or prior to the Early Tender Date and accepted for purchase by the Company. Further, any Notes not validly tendered or not accepted for purchase by the Company will remain outstanding and accrue interest in accordance with their terms.

Concurrently with the Early Tender Date, the withdrawal deadline for tendered Notes to be validly withdrawn (the “**Withdrawal Deadline**”) has also passed.

Holders are advised to read carefully the Tender Offer Memorandum, available on the Tender Offer Website, for full details of and information on the procedures for participating in the Tender Offer.
