On April 25, 2023, the terms of the Class A-6 Notes (the “Notes”) issued by SLM Student Loan Trust 2004-5 will be reset from their current terms in a remarketing of those Notes, in accordance with the terms of their indenture and remarketing agreement.

In accordance with their terms, the Notes, which are denominated in a non-U.S. dollar currency, are subject to mandatory tender. This means that, with respect to the April 25, 2023 reset date, all holders of the Notes are deemed to have automatically tendered their Notes for remarketing (which may or may not be successful).

The Preliminary Remarketing Memorandum will be available on the Remarketing Terms Determination Date, April 13, 2023.

NOTICE AND REMINDER

If the remarketing agents are unable to remarket some or all of the tendered Notes then a failed remarketing will be declared by the remarketing agents and all holders will retain their Notes even in a mandatory tender situation, as is the case with respect to the Notes and the April 25, 2023 reset date.
