BOGOTÁ, Colombia, April 24, 2023 /PRNewswire/ -- Oleoducto Central S.A. ("**Ocensa**"), announced today that it has commenced a tender offer for cash (the "**Offer**") to purchase up to U.S.\$100,000,000 in aggregate principal amount (the "**Maximum Tender Amount**") of its outstanding 4.000% Notes due 2027 (CUSIP: (144A / Reg S): 680617 AC1 / P7358R AD8/ ISIN: (144A / Reg S): US680617AC18 / USP7358RAD81 / Common Code (144A / Reg S): 220679667 / 220679691) (the "**Notes**"). The Offer is being made pursuant to Ocensa's Offer to Purchase, dated April 24, 2023 (the "**Offer to Purchase**"), which sets forth a comprehensive description of the terms of the Offer. The Offer will expire at 11:59 p.m., New York City time, on May 19, 2023, unless extended or terminated earlier (the "**Expiration Date**"). Holders who validly tender and do not validly withdraw Notes on or prior to 5:00 p.m., New York City time, on May 5, 2023 (as the same may be extended, the "**Early Tender Date**"), that are accepted for purchase by Ocensa will receive the Total Consideration (as defined below), which includes the "**Early Tender Premium**" indicated in the table below, with respect to Notes validly tendered (and not validly withdrawn) and accepted for purchase subject to the Maximum Tender Amount. Notes validly tendered in the Offer may not be withdrawn after 5:00 p.m., New York City Time, on May 5, 2023 (unless extended by "**Withdrawal Date**"), except as may be required by applicable law.

Holders who validly tender (and do not validly withdraw) Notes after the Early Tender Date but prior to the Expiration Date, which Notes are accepted for purchase will receive the Tender Consideration (as defined below), subject to the Maximum Tender Amount. In addition to the Total Consideration or Tender Consideration (as applicable) for the Notes validly tendered and accepted for purchase, Holders will also receive accrued and unpaid interest from, and including, the last interest payment date up to, but excluding, the applicable Settlement Date, which will be paid in cash on the applicable Settlement Date.

Tendered Notes may be subject to proration if the aggregate purchase price of Notes validly tendered and not validly withdrawn in the Offer exceeds the Maximum Tender Amount, subject to disclosure and other requirements under applicable law. All Notes tendered at or prior to the Early Tender Date will have priority over Notes tendered after the Early Tender Date.

The following table sets forth certain terms of the Offer[1]:

Title of Notes	CUSIP / ISIN/ Common Code Nos.	Aggregate		Tender Consideration ⁽¹⁾⁽²⁾⁽³⁾	Early	Total Consideration ⁽¹⁾⁽²⁾⁽³⁾
		Principal Amount Outstanding	Maximum Tender Amount		Tender Payment ⁽¹⁾⁽³⁾	
	CUSIP: 680617AC1 / P7358RAD8					
4.000% Notes due 2027	ISIN: US680617AC18 / USP7358RAD81	U.S.\$500,000,000	U.S.\$100,000,000	U.S.\$862.50	U.S.\$30.00	U.S.\$892.50
	Common Code: 220679667 / 220679691					

⁽¹⁾ Per U.S.\$1,000 original principal amount of Notes validly tendered and accepted.

⁽²⁾ Does not include (i) accrued interest and (ii) subject to the terms and exceptions set forth in the Indenture, any additional amounts such that the Tender Consideration or the Total Consideration, as applicable, and accrued interest received by Holders after the deduction or withholding of any taxes imposed or levied by or on behalf of Colombia will be equal to the amount that would have been due had there been no such taxes required to be so deducted or withheld, which will be paid in addition to the Tender Consideration or the Total Consideration, as applicable.

⁽³⁾ The amounts payable to Holders for Notes validly tendered and accepted resulting from the difference between: (i) the outstanding principal amount of each Note tendered by such Holder, and (ii) the Total Consideration, including the Early Tender Payment (in case such Holder tendered Notes prior to or at the Early Tender Date) or the Tender Consideration (in case such Holder has tendered Notes after the Early Tender Date and prior to or at the Expiration Date), shall be considered a benefit under the Indenture being paid to such Holder for the tender of such Notes.

"Total Consideration" means for each U.S.\$1,000 principal amount of Notes validly tendered and accepted by Ocesa, a cash payment as set forth in the table above. The Total Consideration includes the Early Tender Premium for Notes tendered on or prior to the Early Tender Date, subject to the Maximum Tender Amount. The **"Tender Consideration"** means, for each U.S.\$1,000 principal amount of Notes validly tendered and accepted by Ocesa, the Total Consideration *minus* the Early Tender Premium. The applicable Consideration will be payable in U.S. dollars.

Ocesa reserves the right, but is not obligated, to increase the Maximum Tender Amount in its sole and absolute discretion without extending the Early Tender Date or Withdrawal Date or otherwise reinstating withdrawal or revocation rights, except as required by applicable law.

For the Notes validly tendered on or prior to the Early Tender Date (and not subsequently validly withdrawn) and accepted by Ocesa for purchase pursuant to the Offer, subject to the Maximum Tender Amount and proration, Ocesa will have the option for settlement to occur promptly after the Early Tender Date (the **"Early Settlement Date"**). If, at its option, there is an Early Settlement Date, Ocesa expects the Early Settlement Date to be on May 10, 2023, which is the third Business Day following the Early Tender Date, unless the Early Tender Date is extended by Ocesa in its sole discretion. If no Early Settlement Date occurs, then settlement for all Notes that are validly tendered at any time prior to the Expiration Date and that are accepted for purchase will be made on the Final Settlement Date (as defined below).

For the Notes validly tendered after the Early Tender Date and on or prior to the Expiration Date, and accepted by Ocesa for purchase pursuant to the Offer, subject to the Maximum Tender Amount and proration, settlement will occur promptly after the Expiration Date (the **"Final Settlement Date"** and, together with the Early Settlement Date, the **"Settlement Date"**). Ocesa expects the Final Settlement Date to be on May 24, 2023, which is the third Business Day following the Expiration Date, unless the Expiration Date is extended by Ocesa in its sole discretion.

Ocesa expressly reserves the absolute right, in its sole discretion, from time to time to purchase any Notes that remain outstanding after the Expiration Date through open-market or privately negotiated transactions, one or more additional tender or exchange offers or otherwise, on terms and at prices that may or may not be equal to the consideration offered

in the Offer, or to exercise any of its rights, including redemption rights, under the Indenture governing the Notes.

Ocensa reserves the absolute right to amend or terminate the Offer in its sole discretion, subject to disclosure and other requirements as required by applicable law. In the event of termination of the Offer, Notes tendered and not accepted for purchase pursuant to the Offer will be promptly returned to the tendering holders.
