- (13) it consents to the Corporation making a notation on its records or giving instructions to its transfer agent, as applicable, in order to implement the restrictions on transfer set forth and described herein;

- (15) it understands and acknowledges that the Corporation is not obligated to file with the SEC or with any state securities administrator any registration statement under the U.S. Securities Act with respect to any of the Common Shares;
- (16) it acknowledges that purchasing, holding and disposing of any of Common Shares, if any, may have tax consequences under the laws of both Canada and the United States, and that it is solely responsible for determining the tax consequences of investment in such securities and the Corporation gives no opinion and makes no representation with respect to the tax consequences to the Potential Purchaser under United States, state, local or foreign tax law of the undersigned's acquisition or disposition of any such securities, or as to any other tax consequences related to any of such securities; and no determination has been made whether the issuer will be a "passive foreign investment company" within the meaning of Section 1297 of the United States Internal Revenue Code;
- (17) it understands that financial statements of the Corporation have been prepared in accordance with International Financial Reporting Standards, which differ from United States generally accepted accounting principles, and thus may not be comparable to financial statements of United States companies;
- (18) it understands and acknowledges that the Corporation is not (i) obligated to remain a "foreign issuer" within the meaning of Regulation S, (ii) may not, at the time the Common Shares, if any, are resold by it or at any other time, be a "foreign issuer", and (iii) may engage in one or more transactions which could cause the Corporation not to be a foreign issuer;

- (20) if required by applicable securities legislation, regulatory policy or order or by any securities commission, stock exchange or other regulatory authority, it will execute, deliver and file and otherwise assist the Corporation in filing reports, questionnaires, undertakings and other documents with respect to the issuance of the securities;

(23) **it understands and acknowledges that the enforcement by investors of civil liabilities under the U.S. federal securities laws may be affected adversely by the fact that the Corporation is incorporated or organized outside the United States, that some or all of its officers and directors and the experts named herein are residents of a foreign country, and that all or a substantial portion of the assets of the Corporation and said persons are located outside the United States. As a result, it may be difficult or impossible for holders of the Common Shares in the United States to effect service of process within the United States upon the Corporation, its officers or directors or the experts named herein, or to realize against them upon judgments of courts of the United States predicated upon civil liabilities under the federal securities laws of the United States or “blue sky” laws of any state within the United States. In addition, holders of the Common Shares in the United States should not assume that the courts of Canada: (a) would enforce judgments of United States courts obtained in actions against such persons predicated upon civil liabilities under the federal securities laws of the United States or “blue sky” laws of any state within the United States; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under the federal securities laws of the United States or “blue sky” laws of any state within the United States;**

(24) it understands and acknowledges that the public filings or disclosures of the Corporation contains “forward-looking statements” or “forward-looking information” within the meaning of U.S. and Canadian securities legislation and that the Corporation believes that the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and should not be unduly relied upon by investors; and it acknowledges that the forward-looking statements of the Corporation are expressly qualified by and “risk factors” sections in the most recent annual and quarterly filings of the Corporation;

(25) it understands and acknowledges that the Corporation prepares its information in accordance with the requirements of the securities laws in effect in Canada, which differ from the requirements of U.S. securities laws. Canadian standards of oil and gas disclosure differ significantly from the requirements of the SEC, and oil and gas reserve and resource information disclosed by Canadian issuers, such as the Corporation, may not be comparable to similar information disclosed by U.S. companies. The oil and gas reserves estimates of Canadian issuers are prepared in accordance with National Instrument 51-101 — Standards of Disclosure for Oil and Gas Activities (“NI 51-101”), which has been adopted by securities regulatory authorities in Canada, and imposes oil and gas disclosure standards for Canadian public issuers engaged in oil and gas activities and differs from the oil and gas disclosure standards of the SEC under Subpart 1200 of Regulation S-K. The SEC definitions of proved and probable reserves are different than the definitions contained in NI 51-101.

Therefore, proved and probable reserves disclosed by Canadian issuers in compliance with NI 51-101 may not be comparable to those disclosed by U.S. companies;

- (26) it understands and acknowledges that, absent exceptive relief from the SEC, if the Corporation or any predecessor is deemed to have been at any time previously an issuer with no or nominal operations and no or nominal assets other than cash and cash equivalents (including, being deemed a “shell company” defined in Rule 144(i) under the U.S. Securities Act), Rule 144 under the U.S. Securities Act may not be available for resales of restricted securities, and the Corporation would not be obligated to provide Rule 144 information under the U.S. Securities Act for resales of such securities and, as a result, Rule 144 would not be available for the public resale of such securities;
- (27) it represents and warrants that the offer, sale and issuance of the securities is not a transaction, or part of a chain of transactions which, although in technical compliance with an applicable exemption under the U.S. Securities Act, is part of a plan or scheme to evade the registration requirements of the U.S. Securities Act;
- (28) it is relying solely on the information contained in the U.S. Placement Memorandum and the Canadian prospectus supplement dated June 6, 2025 attached thereto and incorporated therein in making its investment decision with respect to the Common Shares. It acknowledges that no representation or warranty is made by the Corporation as to the accuracy or completeness of such materials (other than the information expressly provided by them for use therein);
- (29) it confirms that the Potential Purchaser has not relied upon any oral or written representation as to fact or otherwise made by or on behalf of the Corporation;
- (30) it acknowledges that the Potential Purchaser has been independently advised as to restrictions with respect to trading in the Common Shares imposed by applicable securities laws in which it resides, confirms that no representation (written or oral) has been made to it by or on behalf of the Corporation with respect thereto, and acknowledges that it is aware of the characteristics of the Common Shares and the risks and relevant tax, legal and other economic considerations relating to an investment therein;
- (31) it represents and warrants that it is not subject to any of the “Bad Actor” disqualifications described in Rule 506(d)(1)(i) to (viii) under the U.S. Securities Act (each, a “Disqualification Event”), except to the extent an applicable Disqualification Event does not apply to prevent reliance on Rule 506;
- (32) it acknowledges that there is no person acting or purporting to act on behalf of the Potential Purchaser in connection with the transactions contemplated herein who is entitled to any brokerage or finder’s fee;
- (33) it acknowledges that the Potential Purchaser and any beneficial purchaser has not purchased and will not purchase the Common Shares as a result of any form of “*general solicitation*” or “*general advertising*” (as such terms are defined in Regulation D under the U.S. Securities Act) or “*directed selling efforts*” (as such term is used in Regulation S under the U.S. Securities Act), including, but not limited to advertisements, articles, notices or other communications published in any newspaper, magazine or similar media or broadcast over the Internet, radio, or television, or any seminar or meeting whose attendees have been invited by general solicitation or general advertising or in any other manner involving a public offering within the meaning of Section 4(a)(2) of the U.S. Securities Act; and
- (34) it agrees that this U.S. Purchaser’s Letter shall be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. The Potential Purchaser hereby irrevocably attorns to the non-exclusive jurisdiction of the courts of the Province of British Columbia with respect to any matters arising out of this U.S. Purchaser’s Letter.

The undersigned acknowledges and agrees that the representations, warranties, covenants and agreements contained herein and deemed to be made in the U.S. Purchaser’s Letter are made by it with the intent that they may be relied upon by the Corporation and their respective counsel, in determining its eligibility to purchase the Common Shares, (or, if applicable, the eligibility of others on whose behalf the undersigned purchaser is contracting hereunder to purchase the Common Shares). By this U.S. Purchaser’s Letter the undersigned represents and warrants that the foregoing representations and warranties are true and

that they shall survive the purchase by it of the Common Shares, and shall continue in full force and effect notwithstanding any subsequent disposition by the undersigned of the Common Shares. The undersigned undertakes to immediately notify the Corporation of any change in any statement or other information contained herein.

The Corporation is irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

The Corporation is hereby appointed by the undersigned as its agent to represent the undersigned at the closing for the purpose of all closing matters and deliveries of documents and delivery or evidence of the Common Shares.

AND TO: Odyssey Trust Company, as Warrant Agent.

The undersigned (A) acknowledges that the sale of _____ [common shares] [warrants] [warrant shares] of the Company to which this declaration relates, is being made in reliance on Rule 904 of Regulation S under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), and (B) certifies that (1) the undersigned is not (a) an “affiliate” of the Company (as that term is defined in Rule 405 under the U.S. Securities Act), (b) a “distributor” as defined in Regulation S or (c) an affiliate of a distributor or acting on behalf of any of the foregoing; (2) the offer of such securities was not made to a person in the United States and either (a) at the time the buy order was originated, the buyer was outside the United States, or the seller and any person acting on its behalf reasonably believed that the buyer was outside the United States, or (b) the transaction was executed on or through the facilities of a “designated offshore securities market” (such as the TSX Venture Exchange or the Toronto Stock Exchange) and neither the seller nor any person acting on its behalf knows that the transaction has been prearranged with a buyer in the United States or a U.S. person; (3) neither the seller nor any affiliate of the seller nor any person acting on their behalf has engaged or will engage in any “directed selling efforts” in the United States in connection with the offer and sale of such securities; (4) the sale is bona fide and not for the purpose of “washing off” the resale restrictions imposed because the securities are “restricted securities” (as that term is defined in Rule 144(a)(3) under the U. S. Securities Act); (5) the seller does not intend to replace securities sold in reliance on Rule 904 of Regulation S with fungible unrestricted securities; and (6) the contemplated sale is not a transaction, or part of a series of transactions, which, although in technical compliance with Regulation S, is part of a plan or scheme to evade the registration provisions of the U.
