GENERAL

Background

Faced with the impact of novel coronavirus disease (“COVID-19”) across the PRC since December 2019 and slow recovery therefrom since early 2023, the continuing downturn of the PRC real estate industry and rising interest rates in the international capital market, despite the Issuer’s and the Guarantor’s efforts in servicing their outstanding debts through various means, the Group has been experiencing significant declines in its sales and operations and difficulties and delays in disposing of its assets, which in turn affected the Group’s financial condition, in particular its cash flow and liquidity.

In relation to the Specified Asset (as defined in the relevant Terms and Conditions) designated under “Specified Asset Sale Undertaking” of the relevant Terms and Conditions, since the completion of the consent solicitation in respect of the Securities in November 2022, the Guarantor has completed two Specified Asset Sales (as defined in the relevant Terms and Conditions) in late 2022 and early 2023, respectively. Of the amounts deposited into the Designated Account, approximately 80 per cent. was generated from the asset sale in late 2022, and approximately 20 per cent. was generated from the asset sale in early 2023. Since 2022 there have been continuous interest rate hikes, and if current high interest rate environment lasts for longer, the Guarantor is likely to face difficulties and delays in carrying out further Specified Asset Sales. Given all of the foregoing, the Issuer and the Guarantor did not pay interest and redemption amounts on the relevant due dates of certain Series, and foresee continued difficulties in securing sufficient funds to pay interest on or principal of the Securities in the near future. If there are non-payment events occurred under the Securities, this may lead to triggering events under, and have a material adverse effect on, the Issuer’s and the Guarantor’s other existing indebtedness.

In light of the above, the Issuer and the Guarantor are soliciting the consent of the holders to the proposed amendments and waivers (to, amongst others, extend the maturity of each Series of the Securities by four years, postpone the dates scheduled for redemption of five per cent. of the outstanding principal/nominal amount of several Series by three years, pay PIK Interest at the relevant PIK Interest Rate (in lieu of interest in cash at the current interest rate) on any interest payment date falling between 1 July 2023 and 30 June 2025 (both inclusive), and waive any potential or actual default (including any non-payment) that may have occurred or may be continuing under the Securities as at the Amendment Effective Date) which would enable the Group to improve its overall financial condition and cash flows and resolve the liquidity issues.

If the Consent Solicitation is not consummated and the Issuer and/or the Guarantor are unable to postpone interest and principal payments under the Securities, they may have to consider alternative debt restructurings, including resorting to a Scheme.

Holders should refer to (a) this Notice for full details of the Extraordinary Resolution in respect of the Notes and the Proposed Amendments and Waivers, and (b) the Restructuring Support Agreement for full details of the transaction contemplated thereunder (including the Term Sheet).

The Proposed Amendments and Waivers

The key proposed amendments and waivers in respect of each Series are summarised below. Please refer to the relevant Extraordinary Resolution and the Amendment Documentation for details of the Proposed Amendments and Waivers in respect of the Notes.

(a) Proposed Amendments

- (i) extending the maturity date of each Series by four years from their current maturity date;
- (ii) in respect of the September 2025 Notes, the March 2026 Notes, the Bonds and the Notes, postponing the dates scheduled for redemption of five per cent. of the principal/nominal amount of the relevant Series (being 26 September 2023, 3 March 2024, 3 July 2024 and 22 January 2025, respectively) by three years; and
- (iii) in respect of each Series, paying PIK Interest at the relevant PIK Interest Rate which is one per cent. per annum above the current interest rate (in lieu of interest in cash at the current interest rate) on any interest payment date falling between 1 July 2023 and 30 June 2025 (both inclusive). For the avoidance of doubt, (i) while the relevant Series are represented by a global certificate which is held on behalf of the Clearing System, the calculation of PIK Interest in respect of such Series shall be made in respect of the total aggregate amount of such Series (after applying the relevant Clearing System Pool Factor where applicable) and (ii) payment of PIK Interest in respect of the interest periods ending on or prior to the PIK Interest Payment Date (being 30 days after the Amendment Effective Date subject to the relevant Terms and Conditions) shall be made on the PIK Interest Payment Date at the relevant PIK Interest Rate to holders of record at the relevant Clearing System as at close of business of the Clearing System Business Day prior to the PIK Interest Payment Date, including:

(b) Proposed Waivers

in respect of each Series, waiving any default, event of default or potential default under or breach of the relevant Terms and Conditions or any terms and conditions of the documents relating to the Securities of such Series that may have occurred or may occur in connection with or resulting directly or indirectly from the proposed amendments in respect of the relevant Series, and any default, event of default or potential event of default under or breach of the relevant Terms and Conditions or any terms and conditions of the documents relating to the Securities of such Series that may have occurred or may be continuing as at the Amendment Effective Date (including any existing non-payment on certain Securities), whether or not specifically

described in the Consent Solicitation Memorandum or this Notice, together with other waivers as set out in the relevant Extraordinary Resolution.

Consent Solicitation

Holders are further given notice that the Issuer has invited Eligible Holders to consent to the approval, by Extraordinary Resolution, of the Proposed Amendments and Waivers in relation to the Notes as described in this Notice and as further described in the Consent Solicitation Memorandum.

The Consent Solicitation is only being made, and the Consent Solicitation Memorandum and any other documents or materials relating to the Consent Solicitation are only for distribution or to be made available, outside the United States, to persons other than “U.S. persons” (as defined in Regulation S under the Securities Act).

The Consent Solicitation is intended for participation and the Securities are intended for purchase by professional investors (as defined in Chapter 37 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited) (the “**Professional Investors**”) only and that the Securities are listed on the Hong Kong Stock Exchange on that basis. Accordingly, each of the Issuer and the Guarantor confirms that the Securities are not appropriate as an investment for retail investors in Hong Kong. Investors should carefully consider the risks involved.

IMPLEMENTATION OF EXTRAORDINARY RESOLUTION

The implementation of the Extraordinary Resolution in respect of each Series is conditional upon (1) the passing of such Extraordinary Resolution; (2) the satisfaction of the relevant Eligibility Condition; (3) the Issuer exercising its sole discretion to implement the Extraordinary Resolution in respect of such Series; (4) the payment of the Consent Fees and any Ineligible Holder Payments in respect of such Series; and (5) the implementation of the Extraordinary Resolutions for all other Series (unless the Issuer determines in its sole and absolute discretion to waive such condition).

Notwithstanding anything to the contrary herein and for the avoidance of doubt, the condition described in item (5) of the foregoing paragraph is for the benefit of the Issuer only. If the Issuer decides to waive the condition described in item (5) of the foregoing paragraph, this will not constitute a material change and Holders will not be required to provide new Consent Instructions in relation to the Consent Solicitation. Any Consent Instructions provided prior to the waiver of such condition shall remain valid and irrevocable.

In relation to each Series, if the Extraordinary Resolution is not passed or the Eligibility Condition or any other condition is not satisfied in respect of such Series, or the Issuer elects not to implement such Extraordinary Resolution, no Consent Fees or any Ineligible Holder Payment in respect of such Series will be paid and the Extraordinary Resolution will not be implemented for such Series.

The Issuer will, as soon as reasonably practicable after the Meeting, announce (i) the results of the Meeting; (ii) if the relevant Extraordinary Resolution is passed, the satisfaction (or otherwise) of the Eligibility Condition and (iii) if the Issuer elects to implement the Extraordinary Resolution(s), the Payment Date and the Amendment Effective Date.

The Proposed Amendments and Waivers will take effect upon execution of the relevant Amendment Documentation (as more fully set out under “*Documents Available for Inspection*” below), which will occur as soon as reasonably practicable after the payment of the Consent Fees and any Ineligible Holder Payments in respect of the Notes.

THE SCHEME

If the consent solicitation in respect of any Series is not successfully consummated, as an alternative and to facilitate the implementation of a restructuring of the Securities, the Issuer and/or the Guarantor may consider launching a scheme of arrangement in Hong Kong pursuant to Part 13, Division 2 of the Companies Ordinance (and/or a scheme of arrangement in any other relevant jurisdiction at the sole discretion of the Issuer or the Guarantor) (the “**Scheme**”)

to effect a transaction contemplated under the Restructuring Support Agreement (open to all Holders (including U.S. persons)). **It is important to note that the terms proposed for the Scheme are materially different from the Proposed Amendments and Waivers, and are described in the Term Sheet.**

To facilitate the approval of the Scheme, the Issuer is requiring, as a condition to receive any Consent Fee or Ineligible Holder Payment, each Holder submitting Consent Instruction(s) or Ineligible Holder Instruction(s) voting in favour of the relevant Extraordinary Resolution to also execute (in the case where such Holder is the beneficial owner of the relevant Securities) or cause the beneficial owner on whose behalf such Holder holds the relevant Securities to execute the Restructuring Support Agreement or an accession thereto which shall be received by the Information and Tabulation Agent at or prior to the Accession Deadline. **Holders will need to visit the RSA Accession Portal (<https://deals.is.kroll.com/greenland-rsa>) for instructions on how to execute the Restructuring Support Agreement (or an accession thereto pursuant to the terms thereof).**

The Restructuring Support Agreement (or the accession thereto) will be binding on such Holder or beneficial owner upon execution by such person until terminated pursuant to the terms of the Restructuring Support Agreement.

The Restructuring Support Agreement contains provisions related to termination of, amendments to or waivers of its terms. Please see Clauses 8 and 9 of the Restructuring Support Agreement, the form of which is set forth in Annex A to the Consent Solicitation Memorandum for further details.

INSTRUCTION FEE

Where the consent solicitation in respect of any Series is not consummated and the Scheme is launched and successfully consummated, subject to the terms of the Restructuring Support Agreement, a fee of 0.05 per cent. of the principal/nominal amount of the relevant Eligible Restricted Securities (as defined in the Restructuring Support Agreement) (the “**Instruction Fee**”) will be paid on or prior to the Restructuring Effective Date (as defined in the Restructuring Support Agreement) to (a) a holder of the Notes who has (i) delivered a valid Consent Instruction or Ineligible Holder Instruction in favour of the relevant Extraordinary Resolution that is received by the Tabulation and Information Agent at or prior to the Voting Deadline or the Ineligible Holder Instruction Deadline, as the case may be; and (ii) delivered the duly executed Restructuring Support Agreement (or accession thereto) at or prior to the Accession Deadline, as such deadline may be extended in accordance with the terms of the Restructuring Support Agreement or (b) its transferee (provided that the transfer(s) are made after the Accession Deadline and in compliance with the requirements in the Restructuring Support Agreement).

An Eligible Holder who delivers the Restructuring Support Agreement or accession thereto duly executed by it (or in the case where such Eligible Holder is not a beneficial owner of the Notes, the relevant beneficial owner) only without submitting its Consent Instruction(s) in favour of the Extraordinary Resolution at or prior to the relevant deadlines will not be entitled to any Instruction Fee, but such Restructuring Support Agreement or accession thereto will be binding on the relevant Eligible Holder or beneficial owner (as the case may be) upon execution by such person until terminated pursuant to the terms of the Restructuring Support Agreement.

For the avoidance of doubt, a Holder who receives a Consent Fee or Ineligible Holder Payment will not be entitled to any Instruction Fee. The Trustee is not responsible to any person for the payment of, or determination of any Holder’s eligibility of, the Instruction Fee.

DOCUMENTS AVAILABLE FOR INSPECTION

Holders may inspect copies of the documents set out below from the Consent Website or obtain the same from the Information and Tabulation Agent, the contact details for which are set out below. In order to access a copy of the documents, a Holder will be required to provide confirmation as to his or her status as an Eligible Holder. Eligible Holders are encouraged to read this Notice in conjunction with the Consent Solicitation Memorandum:

- (a) the Trust Deed, the Agency Agreement, the Deed of Guarantee and the Pricing Supplement (from the date hereof up to the date of the Meeting);
- (b) the form of the Restructuring Support Agreement (from the date hereof up to the date of the Meeting);
- (c) the Consent Solicitation Memorandum (from the date hereof up to the date of the Meeting); and
- (d) the Amendment Documentation (from the date on which they are made available on the Consent Website, which is expected to be on or before 7 September 2023, up to the date of the Meeting).

Holders are advised to request and review the draft Amendment Documentation when the same is made available on the Consent Website and from the Information and Tabulation Agent for the final form of the Proposed Amendments.

CONSENT FEES

Subject to the conditions set out in the Consent Solicitation Memorandum, if the Issuer elects to implement the Extraordinary Resolution in respect of any Series (including the Notes), the Issuer, failing whom the Guarantor, will pay on the Payment Date:

- (a) the Early Consent Fee to each Eligible Holder of the relevant Series (other than where such Eligible Holder is a Sanctions Restricted Person) (i) who has delivered, or has arranged to have delivered on its behalf, a valid Consent Instruction in favour of the relevant Extraordinary Resolution which has been received by the Information and Tabulation Agent at or prior to the Early Consent Fee Deadline, (ii) who has not revoked such Consent Instruction in the limited circumstances in which revocation is permitted, and (iii) who has also duly executed (or in the case where such Eligible Holder is not the beneficial owner of the relevant Securities, has caused the beneficial owner on whose behalf such Eligible Holder holds the relevant Securities to duly execute) and delivered the Restructuring Support Agreement or an accession thereto which has been received by the Information and Tabulation Agent at or prior to the Accession Deadline; and
- (b) the Base Consent Fee to each Eligible Holder of the relevant Series (other than where such Eligible Holder is a Sanctions Restricted Person) (i) who has delivered, or has arranged to have delivered on its behalf, a valid Consent Instruction in favour of the relevant Extraordinary Resolution which has been received by the Information and Tabulation Agent after the Early Consent Fee Deadline but at or prior to the Voting Deadline, (ii) who has not revoked such Consent Instruction in the limited circumstances in which revocation is permitted; and (iii) who has also duly executed (or in the case where such Eligible Holder is not the beneficial owner of the relevant Securities, has caused the beneficial owner on whose behalf such Eligible Holder holds the relevant Securities to duly execute) and delivered the Restructuring Support Agreement or an accession thereto which has been received by the Information and Tabulation Agent at or prior to the Accession Deadline.

The Consent Fees will be paid as consideration for the relevant Eligible Holder's agreement to implement the relevant Extraordinary Resolution.

Separate Consent Instructions must be submitted in respect of each beneficial owner of the Notes and must include the beneficial owner's name (which shall be the same as the name included in the Restructuring Support Agreement or accession thereto), email address and telephone number.

An Eligible Holder of the Notes who submits its Consent Instruction(s) in favour of the relevant Extraordinary Resolution only without delivering the Restructuring Support Agreement or accession thereto duly executed by such Eligible Holder (or in the case where such Eligible Holder is not a beneficial owner of the relevant Notes, the relevant beneficial owner) at or prior to the relevant deadlines will not be entitled to any Consent Fee, but its Consent Instruction(s) to vote in favour of the relevant Extraordinary Resolution shall remain

valid and such votes will be counted for the purposes of the quorum required for, and the requisite majority of votes cast at, the Meeting.

Eligible Holders of the Notes will not be eligible for the Consent Fees if they (i) appoint a proxy (other than the Information and Tabulation Agent (or its nominees)) to attend and vote at the Meeting or are not represented at the Meeting, (ii) attend the Meeting in person, (iii) submit a Consent Instruction against or abstaining from voting on the relevant Extraordinary Resolution, or in favour of the relevant Extraordinary Resolution but after the Voting Deadline, or do not vote at all, (iv) revoke their Consent Instructions or unblock their Notes before the Meeting (in the limited circumstances permitted), (v) deliver the duly executed Restructuring Support Agreement or accession thereto after the Accession Deadline or do not execute or deliver at all; or (vi) are a Sanctions Restricted Person. The provisions of this paragraph are without prejudice to the right of any Holder under the relevant Terms and Conditions, the Meeting Provisions and the Trust Deed to arrange for the appointment of a proxy to attend and vote at the Meeting entitling them or their nominee to attend and vote at the Meeting in accordance with the provisions of the Terms and Conditions, the Meeting Provisions, the Trust Deed and this Notice.

Following the Meeting being held, the passing of the Extraordinary Resolution in respect of the Notes and the satisfaction of the Eligibility Condition, if the Issuer elects to implement such Extraordinary Resolution, Eligible Holders will be notified through the Clearing Systems of the date on which the Consent Fees will be paid.

The Consent Fees shall be paid by the Issuer, failing whom the Guarantor, on the Payment Date via the relevant Clearing System for payment to the relevant Holder's cash account (or the account through which such Holder holds the Notes) in such Clearing System. Each relevant Direct Participant must look solely to Euroclear or Clearstream, as the case may be (or, in the case of Eligible Holders that are not Direct Participants, the Direct Participant or other intermediary through which they hold their Notes) for its share of the aggregate payments made by the Issuer, failing whom the Guarantor, to Euroclear and Clearstream, respectively, in respect of the relevant Consent Fees. Under no circumstances will any interest be payable because of any delay by Euroclear or Clearstream, or any other party in the transmission of funds to Eligible Holders. The Trustee is not responsible to any person for the payment of, or determination of any Holder's eligibility of (including the satisfaction of any conditions precedent to the payment of), the Consent Fees or any Ineligible Holder Payments.

INELIGIBLE HOLDER PAYMENTS

Any Holder of the Notes who is not eligible to participate in the Consent Solicitation, on the basis that such Holder is an Ineligible Holder may be eligible, to the extent permitted by applicable law and regulations, to receive an amount equivalent to any applicable Consent Fee as if it had been eligible to participate in the Consent Solicitation and participated accordingly.

To be eligible for the Early Ineligible Holder Payment, an Ineligible Holder must (i) have delivered, or have arranged to have delivered on its behalf, a valid Ineligible Holder Instruction in favour of the relevant Extraordinary Resolution which has been received by the Information and Tabulation Agent at or prior to the Early Ineligible Holder Instruction Deadline, (ii) have not revoked such Ineligible Holder Instruction in the limited circumstances in which revocation is permitted; and (iii) have also duly executed (or in the case where such Ineligible Holder is not the beneficial owner of the relevant Notes, has caused the beneficial owner on whose behalf such Ineligible Holder holds the relevant Notes to duly execute) and delivered the Restructuring Support Agreement or an accession thereto which has been received by the Information and Tabulation Agent at or prior to the Accession Deadline.

An Ineligible Holder (i) who has delivered, or has arranged to have delivered on its behalf, a valid Ineligible Holder Instruction in favour of the relevant Extraordinary Resolution which has been received by the Information and Tabulation Agent after the Early Ineligible Holder Instruction Deadline but at or prior to the Ineligible Holder Instruction Deadline, (ii) who has not revoked such Ineligible Holder Instruction in the limited circumstances in which revocation is permitted, and (iii) who has also duly executed (or in the case where such Ineligible Holder is not the beneficial owner of the relevant Notes, has caused the beneficial owner on whose behalf such Ineligible

Holder holds the relevant Notes to duly execute) and delivered the Restructuring Support Agreement or an accession thereto which has been received by the Information and Tabulation Agent at or prior to the Accession Deadline will not be eligible to receive the Early Ineligible Holder Payment but will be eligible to receive the Base Ineligible Holder Payment.

Separate Ineligible Holder Instructions must be submitted in respect of each beneficial owner of the Notes and must include the beneficial owner's name (which shall be the same as the name included in the Restructuring Support Agreement or accession thereto), email address and telephone number.

An Ineligible Holder who submits its Ineligible Holder Instruction(s) in favour of the relevant Extraordinary Resolution only without delivering the Restructuring Support Agreement or accession thereto duly executed by such Ineligible Holder (or in the case where such Ineligible Holder is not a beneficial owner of the Notes, the relevant beneficial owner) at or prior to the relevant deadlines will not be entitled to any Ineligible Holder Payment, but its Ineligible Holder Instruction(s) to vote in favour of the relevant Extraordinary Resolution shall remain valid and such votes will be counted for the purposes of the quorum required for, and the requisite majority of votes cast at, the Meeting.

Only Ineligible Holders may submit Ineligible Holder Instructions and be eligible to receive the Ineligible Holder Payments. By delivering, or arranging for the delivery on its behalf, of an Ineligible Holder Instruction in accordance with the procedures described below, a Holder shall be deemed to agree, acknowledge and represent to the Issuer, the Guarantor, the Information and Tabulation Agent, the Trustee, the Agents and the Solicitation Agents that it is an Ineligible Holder. Ineligible Holders will be notified through the Clearing Systems of the date on which the Ineligible Holder Payments will be paid.

Where payable, Ineligible Holder Payments are expected to be paid by the Issuer, failing whom the Guarantor, to the Ineligible Holder in the same manner as the payment of the Consent Fees.

Each relevant Direct Participant must look solely to Euroclear or Clearstream, as the case may be (or, in the case of Ineligible Holders that are not Direct Participants, the Direct Participant or other intermediary through which they hold their Notes) for its share of the aggregate payments made by the Issuer, failing whom the Guarantor, to Euroclear and Clearstream, respectively, in respect of the relevant Ineligible Holder Payments. Under no circumstances will any interest be payable because of any delay by Euroclear or Clearstream, or any other party in the transmission of funds to Ineligible Holders.

By submitting an Ineligible Holder Instruction at or prior to the Ineligible Holder Instruction Deadline, an Ineligible Holder will instruct and authorise the Information and Tabulation Agent (or its nominees) as such Ineligible Holder's proxy to attend the Meeting and vote in the manner specified or identified in such Ineligible Holder Instruction in respect of the Extraordinary Resolution. Such Ineligible Holder Instruction must also state the beneficial owner's name (which must be the name included in the relevant Restructuring Support Agreement or accession, as the case may be), email address and telephone number. It will not be possible to submit an Ineligible Holder Instruction without at the same time giving such instructions to the Information and Tabulation Agent unless such Ineligible Holder wishes to attend the Meeting in person or appoint a proxy (other than the Information and Tabulation Agent or its nominees) to attend and vote at the Meeting on its behalf, in which case, such Ineligible Holder will not be eligible to receive any Ineligible Holder Payment.

Ineligible Holders of the Notes will not be eligible for the Ineligible Holder Payments if they (i) appoint a proxy (other than the Information and Tabulation Agent (or its nominees)) to attend and vote at the Meeting or are not represented at the Meeting, (ii) attend the Meeting in person, (iii) submit an Ineligible Holder Instruction against or abstaining from voting on the relevant Extraordinary Resolution, or in favour of the Extraordinary Resolution but after the Ineligible Holder Instruction Deadline, or do not vote at all, (iv) revoke their Ineligible Holder Instructions or unblock their Notes before the Meeting (in the limited circumstances permitted), (v) deliver the duly executed Restructuring Support Agreement or accession thereto after the Accession Deadline or do not execute or deliver at

all; or (vi) are a Sanctions Restricted Person. The provisions of this paragraph are without prejudice to the right of any Holder under the relevant Terms and Conditions, the Meeting Provisions and the Trust Deed to arrange for the appointment of a proxy to attend and vote at the Meeting entitling them or their nominee to attend and vote at the Meeting in accordance with the provisions of the Terms and Conditions, the Meeting Provisions, the Trust Deed and this Notice.

A separate instruction must be completed on behalf of each Ineligible Holder (or beneficial owner, as the case may be) wishing to attend and vote at the Meeting in person or appoint a proxy (other than the Information and Tabulation Agent or its nominees) to attend and vote at the Meeting. Each such instruction should also provide the name, email address and passport number of the attendee(s). Such Ineligible Holder will not be eligible to receive any Ineligible Holder Payment. By submitting such instruction, a Holder is deemed to consent to such information being provided to the Registered Holder, the Information and Tabulation Agent, the Issuer, the Guarantor, the Trustee, the Agents and the Solicitation Agents (and their respective legal advisers).

By submitting an Ineligible Holder Instruction at or prior to the Ineligible Holder Instruction Deadline or completing alternative arrangements to attend the Meeting in person or appoint a proxy to attend and vote at the Meeting on its behalf, the relevant Ineligible Holder will also be deemed to represent that (a) it is not a Sanctions Restricted Person (as defined below); (b) by blocking the relevant Notes in the relevant Clearing System (if applicable), it will be deemed to consent, in the case of a Direct Participant, to have such Clearing System provide details concerning its identity and holdings to the Information and Tabulation Agent (and for the Information and Tabulation Agent to provide such details to the Issuer, the Guarantor, the Registered Holder, the Solicitation Agents, the Trustee, the Agents and their respective legal advisers); (c) none of the Issuer, the Guarantor, the Solicitation Agents, the Trustee, the Agents or the Information and Tabulation Agent or any person who controls, or any director, officer, representative, adviser, employee, agent or affiliate of, any such person has given it any information with respect to the Extraordinary Resolution, the Restructuring Support Agreement or the Scheme, save as expressly set out in this Notice nor has any of them expressed any opinion about the terms of the Extraordinary Resolution or made any recommendation to it as to whether it should participate at the Meeting or whether to vote in favour of or against (or how to vote in respect of) the Extraordinary Resolution or whether to execute the Restructuring Support Agreement, and it has made its own decision based on financial, tax or legal advice it has deemed necessary to seek and is assuming all the risks inherent in voting on the Extraordinary Resolution and executing the Restructuring Support Agreement; (d) it understands that the Consent Solicitation is intended for participation and the Notes are intended for purchase by professional investors (as defined in Chapter 37 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited) (the “**Professional Investors**”) only and that the Notes are listed on the Hong Kong Stock Exchange on that basis. It confirms that it is a Professional Investor. It undertakes that if it transfers the Notes, it will procure (i) the transferee confirms that it is a Professional Investor and (ii) the transferee undertakes that subsequent transfers are also only made to Professional Investors; and (e) except as disclosed in “*Tax Consequences*” below, no information has been provided to it by the Issuer, the Guarantor, the Solicitation Agents, the Trustee, the Agents or the Information and Tabulation Agent, or any of their respective affiliates, directors, officers, advisers or employees, with regard to the tax consequences to Holders arising from the Extraordinary Resolution, the Restructuring Support Agreement or the Scheme or the receipt by it of the Ineligible Holder Payments or the Instruction Fee in respect of the Notes (if applicable), and it acknowledges that it is solely liable for any taxes and similar or related payments imposed on it under the laws of any applicable jurisdiction as a result of its receipt of any Ineligible Holder Payment in respect of the Notes, and agrees that it will not and does not have any right of recourse (whether by way of reimbursement, indemnity or otherwise) against the Issuer, the Guarantor, the Solicitation Agents, the Trustee, the Agents, the Information and Tabulation Agent, or any of their affiliates, directors, officers, advisers or employees or any other person, in respect of such taxes and payments.

Submission of Ineligible Holder Instructions

In respect of any Notes held through Euroclear or Clearstream, the submission of Ineligible Holder Instructions will be deemed to have occurred upon receipt by the Information and Tabulation Agent from Euroclear or Clearstream, as applicable, of an Ineligible Holder Instruction submitted in accordance with the requirements of Euroclear or Clearstream, as applicable. Each such Ineligible Holder Instruction must specify, among other things, the aggregate nominal amount of the Notes to which such Ineligible Holder Instruction relates, the securities account number at Euroclear or Clearstream, as applicable, in which the relevant Notes are held and whether the Ineligible Holder

wishes to instruct and authorise the Information and Tabulation Agent (or its nominees) as such Holder's proxy to attend the Meeting (and the adjourned Meeting) and vote in favour of or against the Extraordinary Resolution.

Ineligible Holder Instructions should clearly specify whether the Holder wishes to:

- (a) appoint the Information and Tabulation Agent (or its nominees) as its proxy to attend and vote (on its behalf) in favour of the Extraordinary Resolution; or
- (b) appoint the Information and Tabulation Agent (or its nominees) as its proxy to attend and vote (on its behalf) against the Extraordinary Resolution; or
- (c) appoint the Information and Tabulation Agent (or its nominees) as its proxy to attend and abstain from voting (on its behalf) on the Extraordinary Resolution; or
- (d) attend the meeting in person or appoint any person (other than the Information and Tabulation Agent (or its nominees)) as its proxy to attend on its behalf; or
- (e) take no action in respect of the Extraordinary Resolution.

The Ineligible Holder Instruction should also state the beneficial owner's name (which must be the name included in the relevant Restructuring Support Agreement or accession, as the case may be), email address and telephone number.

Ineligible Holders may only submit Ineligible Holder Instructions in nominal amounts of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof (before applying the relevant Clearing System Pool Factor).

The receipt of such Ineligible Holder Instruction by Euroclear or Clearstream, as applicable, will be acknowledged in accordance with the standard practices of Euroclear or Clearstream, as applicable, and will result in the blocking of the relevant Notes in the relevant Ineligible Holder's account with Euroclear or Clearstream, as applicable, so that no transfers may be effected in relation to such Notes until the earlier of (i) the date on which the relevant Ineligible Holder Instruction is validly revoked (including its automatic revocation on the termination of the Consent Solicitation); and (ii) the conclusion of the Meeting (or, if applicable, the conclusion of the adjourned Meeting).

TAX CONSEQUENCES

In view of the number of different jurisdictions where tax laws may apply to a Holder of the Notes, except for the limited statements relating to the Consent Fees and any Ineligible Holder Payments in this section, this Notice does not discuss the tax consequences for Holders arising from the Consent Solicitation or the Extraordinary Resolution in respect of the Notes and their implementation or the receipt (where applicable) of the Consent Fees, any Ineligible Holder Payments or any Instruction Fee. Holders are urged to consult their own professional advisers regarding the possible tax consequences of these transactions under the laws of the jurisdictions that apply to them, as well as the possible tax consequences of holding the Notes after amendments and/or waivers are made pursuant to the relevant Extraordinary Resolution (which could differ, potentially materially, from the tax consequences of holding the Notes before such modifications and/or waivers). Except as disclosed in this section, Holders are liable for their own taxes and have no recourse to the Issuer, the Guarantor, the Solicitation Agents, the Trustee, the Agents or the Information and Tabulation Agent or any person who controls, or any director, officer, representative, adviser, employee, agent or affiliate of, any such person with respect to any taxes arising in connection with the Consent Solicitation (including the execution of the Restructuring Support Agreement or accession thereto), the Scheme and/or the implementation of the relevant Extraordinary Resolution.

British Virgin Islands

As the Issuer is incorporated pursuant to the BVI Business Companies Act, 2004 (as amended), (i) payment of the Consent Fees and any Ineligible Holder Payments or the Instruction Fee to persons who are not resident in the British

Virgin Islands will not be subject to taxation in the British Virgin Islands, (ii) no withholding tax will be required to be deducted by the Issuer on such payments to such persons, and (iii) payment of the Consent Fees and any Ineligible Holder Payments or the Instruction Fee will not be liable to stamp duty in the British Virgin Islands.

PRC

EIT and IIT

Pursuant to the Enterprise Income Tax Law of the PRC (the “**EIT Law**”) (《中華人民共和國企業所得稅法》), which took effect on 1 January 2008 and was last revised on 29 December 2018 and its implementation regulations, enterprises that are established under the laws of a jurisdiction other than the PRC but whose actual management organs are within the territory of the PRC shall be PRC tax resident enterprises for the purpose of the EIT Law and they shall pay enterprise income tax at the rate of 25 per cent. in respect of their income sourced from both within and outside of the PRC. If relevant PRC tax authorities decide, in accordance with applicable tax rules and regulations, that the actual management organ of the Issuer is within the territory of PRC, the Issuer may be held to be a PRC tax resident enterprise for the purpose of the EIT Law and be subject to enterprise income tax at the rate of 25 per cent. in respect of its income sourced from both within and outside PRC.

Pursuant to the EIT Law and the PRC Individual Income Tax Law (the “**IIT Law**”) and their respective implementation regulations, any non-PRC resident enterprise without an office or premise within the PRC, or where its incomes have no actual connection to its office or premise inside the PRC, shall pay enterprise income tax at the rate of 10 per cent. and any non-PRC resident individual shall pay PRC individual income tax at the rate of 20 per cent. respectively on the incomes sourced from the PRC unless there is an applicable tax treaty or arrangement that reduces or exempts such income tax. Such income tax shall be withheld by the PRC payer acting as the obligatory withholder, who shall withhold the tax amount from each payment.

As confirmed by the Issuer, as at the date of the Consent Solicitation Memorandum, the Issuer has not been notified or informed by the PRC tax authorities that it is considered as a PRC tax resident enterprise for the purpose of the EIT Law. However, there is no assurance that the Issuer will not be treated as a PRC tax resident enterprise under the EIT Law and related implementation regulations in the future.

As for the Consent Fees and the Ineligible Holder Payments and the Instruction Fee, there remains uncertainty as to whether such Consent Fees and the Ineligible Holder Payments or the Instruction Fee paid from the Issuer, failing whom the Guarantor (which is a PRC resident enterprise), and received by non-PRC resident enterprise or individual Holders who are not PRC citizens or residents would be treated as income from providing services or other taxable income by any PRC tax authorities under the EIT Law and the IIT Law. If the Consent Fees, the Ineligible Holder Payments or the Instruction Fee are treated as taxable income derived from sources within the PRC, such Consent Fees, Ineligible Holder Payments or Instruction Fee will be subject to PRC income tax at a rate up to 10 per cent. for non-PRC resident enterprise Holders and at a rate up to 20 per cent. for non-PRC resident individual Holders.

VAT

Pursuant to the Circular of Full Implementation of Replacing Business Tax with Value-Added Tax Reform (Caishui [2016] No. 36) (“**Circular 36**”), which was issued on 23 March 2016 by the Ministry of Finance and the State Administration of Taxation, and the Interim Regulation of the PRC on Value Added Tax (“**VAT**”), which took effect on 5 November 2008 and amended on 19 November 2017, entities and individuals providing the services within the PRC shall be subject to VAT. The services are treated as being provided within the PRC where either the service provider or the service recipient is located in the PRC.

There remains uncertainty as to whether the consent action from Holders and the extension of maturity of the Notes would be categorised as “providing service” by the competent tax authority. If so categorised, in the event the Issuer is deemed as a PRC resident enterprise by the PRC tax authorities and given that the Guarantor is located in the PRC, the non-PRC resident Holders may be regarded as providing services within the PRC and consequently, payment

from the Issuer or the Guarantor (if applicable) of the Consent Fees and any Ineligible Holder Payments or the Instruction Fee may be subject to withholding VAT at the rate of 6 per cent. plus related local levies at approximately 12 per cent.

However, if the Issuer or the Guarantor is required by law to make any deduction or withholding, the Issuer or the Guarantor (as the case may be) will make the payment of such additional amounts in relation to the Consent Fees, Ineligible Holder Payments or Instruction Fee as will result in receipt by the Holder after such deduction or withholding of EIT, IIT and/or VAT (should such taxes apply) of the amount which would have been received by the Holders had no such deduction or withholding been required.

GENERAL

The attention of Holders is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting which is set out in “*Voting and Quorum*” below. Having regard to such requirements, Holders are strongly urged either to submit valid Consent Instructions and Ineligible Holder Instructions in accordance with the Terms and Conditions, the Meeting Provisions and the Trust Deed in relation to the Notes or to attend or to take steps to be duly represented at the Meeting, as referred to below, as soon as possible.

In accordance with normal practice, none of the Solicitation Agents, the Trustee, the Agents or the Information and Tabulation Agent express any view as to the merits of the Proposed Amendments and Waivers or the Extraordinary Resolution. None of the Solicitation Agents, the Trustee, the Agents or the Information and Tabulation Agent have been involved in negotiating the Consent Solicitation, the Proposed Amendments and Waivers, the relevant Extraordinary Resolution, the Restructuring Support Agreement or the Scheme or makes any representation that all relevant information has been disclosed to the Holders in or pursuant to the Consent Solicitation Memorandum and this Notice. Furthermore, none of the Solicitation Agents, the Trustee, the Agents or the Information and Tabulation Agent make any assessment of the impact of the Proposed Amendments and Waivers presented to Holders in the Consent Solicitation Memorandum on the interests of the Holders or makes any recommendations on the Consent Solicitation relating to the Notes, whether agreement to the Proposed Amendments and Waivers should be made or whether the Restructuring Support Agreement shall be executed. Accordingly, Holders who are unsure of the impact of the Proposed Amendments and Waivers, the Extraordinary Resolution, the Restructuring Support Agreement and the Scheme should seek their own financial, legal and tax advice.

Holders wishing to attend in person have the right to attend in accordance with the provisions set out in the Consent Solicitation Memorandum, this Notice and the Meeting Provisions.

Direct Participants, by submission of Consent Instructions or Ineligible Holder Instructions, authorise such Clearing System to disclose their identity and holdings to the Solicitation Agents, the Issuer, the Guarantor, the Trustee, the Agents and the Information and Tabulation Agent (and their respective legal advisers).

Only Direct Participants may submit or deliver Consent Instructions or Ineligible Holder Instructions. Holders whose Notes are held on their behalf by a broker, dealer, commercial bank, custodian, trust company or accountholder must contact and request such broker, dealer, commercial bank, custodian, trust company or accountholder to effect the relevant Consent Instructions or Ineligible Holder Instructions on their behalf sufficiently in advance of Voting Deadline and Ineligible Holder Instruction Deadline in order for such Consent Instructions or Ineligible Holder Instructions to be delivered in accordance with any deadlines as described in the Consent Solicitation Memorandum and this Notice.

If Consent Instructions or Ineligible Holder Instructions are not received from or on behalf of a Holder in accordance with the voting instructions set out herein (and such Holder does not otherwise make arrangements to vote at the Meeting by appointing a proxy or to attend in person also in advance of the Voting Deadline or Ineligible Holder Instruction Deadline), such Holder will be deemed to have declined to vote in respect of the Extraordinary Resolution.

Voting and Quorum

The provisions governing the convening and holding of the Meeting are set out in Schedule 3 (*Provisions for Meetings of Noteholders*) of the Trust Deed, a copy of which is available for inspection as referred to above. A Holder who has delivered or has arranged for the delivery of a Consent Instruction or Ineligible Holder Instruction need take no further action.

IMPORTANT: The Notes are currently represented by a global certificate registered in the name of HSBC Nominees (Hong Kong) Limited as the nominee for the common depositary of Clearing Systems. Only Direct Participants may deliver Consent Instructions or Ineligible Holder Instructions in accordance with the procedures described below.

- (1) A proxy need not be a Holder. A proxy so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with the Meeting, to be the Holder of the Notes to which such appointment relates.
- (2) Holders or their Direct Participants must have made arrangements to vote with the relevant Clearing System by the Voting Deadline (being not less than 48 hours before the time fixed for the Meeting (or an adjourned Meeting)) and within the relevant time limit specified by the relevant Clearing System and any intermediaries or custodians (who may in each case set a significantly earlier deadline) and request or make arrangements for the relevant Clearing System to block the Notes in the relevant Direct Participant's account.
- (3) A Direct Participant whose Notes have been blocked in its account with Euroclear or Clearstream, as applicable, may thereby procure that a Consent Instruction or Ineligible Holder Instruction is given in accordance with the procedures of the relevant Clearing System to instruct the relevant Clearing System that the vote(s) attributable to the Notes which are the subject of the Consent Instruction or Ineligible Holder Instruction should be cast in a particular way (either in favour of, against or an abstention vote, except in the case of a Consent Instruction or Ineligible Holder Instruction to attend the Meeting in person) in relation to the Extraordinary Resolution in respect of the Notes.
- (4) Any Note(s) so held and blocked will not be released to the Direct Participant, until the earlier of (a) the date on which the relevant Consent Instruction or Ineligible Holder Instruction is validly revoked (including its automatic revocation on the termination of the Consent Solicitation); and (b) the conclusion of the Meeting (or, if applicable, the conclusion of the adjourned Meeting), provided, however, in the case of (a) above, that if the Holder or Direct Participant has caused a proxy to be appointed in respect of such Note(s), such Note(s) will not be released to the relevant Direct Participant unless and until the Issuer has received notice of the revocation or amendment to such proxy.
- (5) Any Consent Instructions, Ineligible Holder Instructions or other instructions given may not be revoked in any circumstances during the period starting 48 hours before the time fixed for the Meeting and ending at the conclusion of the Meeting.

In the case that two or more persons holding or representing not less than 66 per cent. in aggregate nominal amount of the Notes for the time being outstanding are not present within 15 minutes from the time initially fixed for the Meeting, the Meeting shall (if the Issuer and the Trustee agree) be adjourned and an adjourned Meeting in respect of the Notes will be convened to be held on a date which will be notified to the relevant Holders in the notice of the adjourned Meeting (which shall be not less than 14 nor more than 42 days later than the date of the initial Meeting) and will be validly constituted if two or more persons holding or representing not less than 33 per cent. in aggregate nominal amount of the Notes for

the time being outstanding are present at the adjourned Meeting and the Extraordinary Resolution shall be passed if a majority of at least 50 per cent. of the votes cast at the adjourned Meeting are in favour of the Extraordinary Resolution.

- (2) For the purposes of satisfying the requisites of quorum and majority of votes, the Information and Tabulation Agent (or its nominee) will attend and vote at the Meeting in accordance with the Consent Instructions and Ineligible Holder Instructions delivered by the Holders in the manner contemplated in the Consent Solicitation Memorandum as well as the Meeting Provisions. Holders should note that the Consent Instructions or Ineligible Holder Instructions given in respect of an initial Meeting shall remain valid for any adjourned such Meeting unless validly revoked in the limited circumstances in which revocation is permitted.
- (3) If a quorum is not present within 15 minutes at the adjourned Meeting, the adjourned Meeting shall be dissolved.
- (4) The minutes of the Meeting will be signed by the chairman if the Extraordinary Resolution is passed, shall become effective upon signing by the Chairman of the Minutes of the Meeting at which the Extraordinary Resolution was passed. “The Notes bear interest on the Interest Accrual Base from and including the Interest Commencement Date at the applicable interest rate and payable in the manner as specified below:

 - (i) interest in respect of the period from and including the Interest Commencement Date to but excluding 22 January 2023 shall be at the rate of 7.25 per cent. per annum (the “**Cash Interest Rate**”) and payable semi-annually in arrear in equal instalments in cash (“**Cash Interest**”) on 22 January and 22 July in each year, commencing on 22 January 2021;
 - (ii) interest in respect of the period from and including 22 January 2023 to but excluding 22 July 2023 shall be payment-in-kind interest (“**PIK Interest**”) at the rate of 8.25 per cent. per annum (the “**PIK Interest Rate**”) and payable on the date that is 30 days after the Amendment Effective Date;

Unless the context requires otherwise, references to “**Notes**” for all purposes of these Conditions shall include any Notes that are issued as a result of any payment of PIK Interest, and references to “**nominal amount**” of the Notes shall refer to the Accreted Value.

With respect to any matter requiring consent, waiver, approval or other action of the Noteholders of a specified percentage of the nominal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the Accreted Value, as of such date of determination, of Notes, the Noteholders of which have so consented by (b) the aggregate Accreted Value, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding paragraph.
